**6. Discussion/Briefing Update Items**

**a. Meeting Venue including Hybrid meetings**

The committee discussed the timing for moving to in-person meeting. Ms. Pruitt will prepare a poll for the Steering Committee at their June 15, 2022, meeting, asking them if they preferred in-person meetings or online meetings. She will follow up with an emailed poll to get additional input. If their opinion is split the Executive Committee will discuss hybrid meetings at their July 6, 2022, meeting.

**7. Coordinator's Report**

**a. Annual Assembly**

Ms. Pruitt explained that the SCT Operating Guidelines call for Steering Committee to report to the county elected officials once per year. That report should be done before the end of this year.

The committee would prefer that an Assembly be held in-person in the fall. They are comfortable that the public health danger is low enough now. The committee will discuss questions of program, budget, etc. at their July meeting.

Not discussed.
