Shooting Investigation

On March 10th 2012 at approximately 1525 hours Stanwood Police Officers responded to a report of a shooting in the City of Stanwood near the 10200 block of State Route 532. When officers arrived the preliminary investigation led them to believe that a young child had obtained a firearm from within the vehicle and had discharged the firearm striking their seven year old sister. The victim was transported to a local hospital. We are not able to release the condition of the victim at this time. The children involved are the children of a Marysville Police Officer and the vehicle involved in this incident also belongs to the Marysville Officer. The parents of the children involved were nearby when the incident occurred. The Stanwood Police Department requested that the Snohomish County Sheriff's Office investigate the incident. Detectives from the Snohomish County Sheriff's Office Major Crimes Unit have responded and are investigating. There is no further information at this time. Any additional information that can be released will be provided via press release.
