Dummy Hand Grenade Confiscated from Gold Bar Student

On May 7, 2012 at approximately 8:50 am, Sheriff's Office deputies responded to a report from Gold Bar Elementary staff regarding a student who had brought a grenade to school. Sheriff's Office deputies took custody of the grenade from school officials, who had confiscated it from the student. The grenade was a "dummy inert" grenade and did not contain explosives. It was turned over to the Washington State Patrol Interagency Explosives Unit for disposal. No injuries were reported.
