Two Brier Burglary Suspects Apprehended, One Still at Large

At approximately 2:30 PM today a call came into 911 reporting a burglary in progress in Brier at the 23000 block of 27th PI W. When Brier police officers arrived on scene, three suspects fled northeast clipping a vehicle and causing it to crash along the way. The driver of that vehicle did not sustain any serious injuries.

The suspects then abandoned the vehicle on Locust Way in Bothell/Kenmore, threw two handguns into nearby bushes and fled on foot.

Law enforcement officers were able to apprehend two female suspects. The other suspect, a black male, is still at large. Snohomish County Sheriff's Office, Brier PD, Kenmore PD, and King County Sheriff's Office called off the search at approximately 5:30 PM and detectives believe they now know the identity of the suspect.

The vehicle the suspects fled in and abandoned turned out to be stolen.
