### Death Investigation

On November 28, 2011 at approximately 3:00pm, Sheriff's Office deputies responded to the 14000 block of 95<sup>th</sup> Avenue NE, Arlington to assist fire with an unresponsive male infant. Upon arrival, fire personnel had already begun CPR on the 4-month old infant. Preliminary information indicates the infant was put down to sleep earlier by his mother. When she checked on the infant later, he was unresponsive and not breathing. The infant was transported to Cascade Hospital by medics. The infant was pronounced dead at the hospital.

Detectives from the Sheriff's Office Major Crimes Unit responded to the location and have taken over the investigation.
