Welcome!

Dear Snohomish County voters and future voters!

Your vote in the August 2nd Primary will help decide who represents our community in congress, the state legislature and other important leadership positions at the state and local level.

Snohomish County takes great care in conducting accurate, secure and accessible elections. Why? Because greater confidence in our elections processes strengthens our democracy.

Snohomish County elections are administered by state and nationally certified election administrators with decades of experience working alongside professionally trained staff from our community.

Voting processes are designed for both access and accountability. We offer multiple ways to vote and return a ballot – through the mail, by using one of 35 drop boxes in the community, and by visiting an accessible voting site in-person. VoteWA.gov is a great online tool where you can track the mailing and return status of your ballot.

Ballot counting is conducted on equipment tested at federal, state and local levels.

Results are audited to ensure all aspects of the vote counting process are accurate and secure.

Every election is open to observation, and we invite and encourage candidates, political parties, the public and organizations like the League of Women Voters to watch as we process and count returned ballots.

For more information about our elections and how you can participate, please visit www.snoco.org/elections.

Vote with confidence in the August 2 Primary, knowing Snohomish County is committed to conducting accurate, secure and accessible elections.

Sincerely,

Garth Fell
Snohomish County Auditor

Important Information

This edition of the Local Voters’ Pamphlet (LVP) contains races and issues for voters in your geographic area (zip code). Everything on your ballot should be included in this edition, but there will be items in the pamphlet that do not appear on your ballot. Go to votewa.gov for an online guide with issues and races specific to you. A voters’ pamphlet containing races and issues for the entire county can be viewed at snoco.org/elections.

17-year-old Primary-only voters will not have local measures on their ballot or the office of Precinct Committee Officer.
Voting in Washington State

Voter Qualifications
To register to vote you must be:
• A citizen of the United States
• A legal resident of Washington state for at least 30 days prior to election day
• At least 18 years old. If you are 16 or 17, you can sign up as a Future Voter and be automatically registered to vote when you qualify
• Not disqualified from voting due to a court order
• Not currently serving a sentence of total confinement for a felony conviction in Washington state
• Not currently incarcerated for a federal or out-of-state felony conviction

In Washington state, you do not register by political party or declare political party membership to vote.

How to Register to Vote
• Register online at votewa.gov, or
• Mail a completed registration form (available online at public libraries, schools, and other government offices)

Registration Deadlines
• Register online or by mail by July 25 (8 days before the election)

What Does an Elected Official Do?

U.S. Senator
U.S. Senators must be at least 30 years of age, have been a citizen of the U.S. for at least nine years, and be a registered voter of the state from which he or she is elected. Each Senator’s term is six years. The Senate is made up of 100 members, two from each state. The Senate has several exclusive powers, including consenting to treaties and confirming federal appointments made by the President, and trying federal officials impeached by the House. The Senate and House have equal responsibility for declaring war, maintaining the armed forces, assessing taxes, borrowing money, minting currency, regulating commerce, and making all laws necessary for the operation of government.

U.S. Representative
U.S. Representatives must be at least 25 years of age, have been a citizen of the U.S. for at least seven years, and be a registered voter of the state from which he or she is elected. Each Representative’s term is two years. The House of Representatives is made up of 435 members, with each state allocated a different number of members based on population. The total membership of the House is up for election in even-numbered years. The Senate and House have equal responsibility for declaring war, maintaining the armed forces, assessing taxes, borrowing money, minting currency, regulating commerce, and making all laws necessary for the operation of government.

Secretary of State
The Secretary of State is the state’s chief elections officer, chief corporation officer, and oversees the state Archives and Library. Primary functions include certifying election results, filing and verifying initiatives and referenda, publishing the state voters’ pamphlet, registering and licensing corporations, limited partnerships and trademarks, registering charitable organizations, and collecting and preserving historical records of the state. The Secretary of State is second in line of succession for the Office of the Governor.

State Senator
A senator’s term is four years. The Senate is made up of 49 members, one from each legislative district in the state. One half the membership of the Senate is up for election each even-numbered year. The Senate’s only exclusive duty is to confirm appointments made by the governor. During legislative sessions, the Legislature is called upon to enact or reject legislation affecting public policy in the state, provide for the levy and collection of taxes and other revenue to support state government and assist local government, and appropriate funds for these purposes.

State Representative
A representative’s term is two years. The House is made up of 98 members, two from each legislative district in the state. The total membership of the House is up for election each even-numbered year. During legislative sessions, the Legislature is called upon to enact or reject legislation affecting public policy in the state, provide for the levy and collection of taxes and other revenue to support state government and assist local government, and appropriate funds for these purposes.

County Prosecuting Attorney
The county prosecuting attorney is a partisan position and serves a four-year term. The county prosecuting attorney appears for and represents the county in actions and proceedings before the courts and judicial officers. Responsibilities include but are not limited to: prosecuting criminal actions referred by law enforcement agencies; serving as legal adviser to county offices, departments and the county council; defending suits brought against the county; appearing before and giving advice to grand juries; managing the administration of the prosecuting attorney’s office; recommending reforms to improve the administration of the criminal justice system; and providing advocacy services for crime victims and facilitating the testimony of crime victims.

Public Utility District Commissioner
Public Utility District (PUD) Commissioners serve six-year terms. PUD commissioners sit on the governing board of the public utility district. Only voters within a commissioner’s district may vote to nominate a candidate during the primary for the general election ballot. All voters in the entire public utility district vote to elect the commissioner in the general election. Responsibilities include but are not limited to: setting district utility policies and priorities; appointing the utility district manager; providing oversight of the district’s operations; adopting system plans; establishing utility charges and rates; and representing members of their districts in public utility decision-making.

Precinct Committee Officer
A Precinct Committee Officer (PCO) is the representative of a political party at the grassroots level. PCO candidates do not appear in the Local Voters’ Pamphlet and are only on the ballot if more than one person from a political party files in a precinct. PCOs serve two-year terms.

Statement

Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

Tiffany will be a voice for all of Washington. Washington State Republican Party. From a small farm in Eastern Washington to the nation’s capital, Tiffany will be a voice for all of Washington.

As a Democrat, I have always the interests of the people at heart, because I truly believe that democracy is the best form of government for all the people across this Earth.

My Bachelors of Arts & Science from the University of Washington, followed by many years of study at the Environmental University of Oxford graduating with a Public Health PHD & Environmental Science and Cybernetics. (PFE)

All of my life I have extended myself to the community, with non profit work at “People’s Health International” working against endemic diseases such as Tuberculosis and many other communicable illnesses that ravage the most neglected human beings at the bottom of the pyramid.

It is my fervent belief that government by the people, from the people and for the People – shall never perish from this Earth, if we can help it.

That is, if we can help it be maintained as discussed in our party manifest, and as “We Democrats and Independents” can coalesce into a strong majority that will push through our political agenda of Growth, Equality in front of the eyes of the law, and Equanimity in opportunity to harvest the American Dream that is promised to all of us, but rarely delivered to the ones who are less fortunate amongst us, because of racial divisions, lack of economic opportunity for most, and also because we are still tied up to the cartage of runways that preach systemic racism and white supremacy, and still happen to be the majority of our elected officials. This is what I am here to change, and that is why I ask for your vote.

Thank You

The 7% inflation in 2021, the worst in 40 years, cost the average U.S. household $3,500 more for the same goods and services.

Think about this. The ineffective career politicians in charge, who just messed up your wallet, want another chance. Bad idea.

This election, cut your losses: Vote your unhappy wallet a Senator (and Representative) who will sponsor tried-and-true policies that foster prosperity.

Specifically, under Democrat President John F. Kennedy, almost everything was made-in-the-USA. America was energy independent, our border was secured, and inflation was 1%. With policies like JFK, Donald Trump’s inflation rate was 7.1%.

Something else. Article IV, Section 4, in the Constitution, protects each state against invasion. Accordingly, I oppose amnesty for illegal aliens. These people invaded America.

Statement
This year’s candidacy marks a decade of not trying to win but to use the Voters’ Pamphlet to attract viewers to the posts on my blog http://stepasideinwce.blogspot.com. I began in response to the Seattle Times failure to recognize Sound Transit had a board of elected officials and a CEO that didn’t understand the basics of public transportation.

That 4-car light rail trains don’t have the capacity to reduce peak-hour congestion on multi-lane freeways and cost too much to operate during off-peak commute. That the billions already spent on Prop 1 extensions will do nothing to reduce freeway congestion. They’re only a down payment on ST3 “voter approved” extensions whose costs have increased from the $548 voters approved in 2016 to $3080 in 2922, yet don’t increase capacity but add to operating cost.

The Times has aired Sound Transit no longer releasing quarterly service reports that would have shown Northgate Link light rail was ~8800, a fraction of the 42,500-49,000 the paper had heralded as “Transit Transformed”. Portending even worse debacles for the “voter approved” ST3 extensions; my goal to expose.

This year I will also allow state residents to vote for someone who doesn’t believe the country is systemically racist, believes teaching CRT doesn’t benefit students, and that sex education should be age appropriate. That Gov. Inslee should explain the benefits of EV’s whose batteries are charged by fossil fueled generators and whose owners don’t pay gas taxes to fund roads. Who questions the efficacy of his carbon tax when the country only emits 15% of the planet’s CO2 and a Dec NASA paper conclusion: CO2 warming effect decreases with concentration. CO2 has less and less effect with increased concentration. CO2 can go to 1000 to 2000 to 5000ppm and it won’t warm the earth.

Statement
My name is Jon Butler, I’m running for United States Senator of Washington State! My platform is Family Court Reform and Family Law Reform. I’ve been an advocate for going on 10 years now. Helping parents and children here in Washington to around the country and the world. Family Courts have destroyed families, dreams of our children and their parents for over a century. It Started in 1910. It is time to stop the abuse on Washingtonians and the American parents. I would like to Butler Corps, like Job Corps but for older adults; the homeless vets, woman and men. Where people can get a good education/trade and off the street, to get them a job. Everyone needs just a nudge in the right direction. Also, I would love to give teachers raises and better incentives. They are on the front line our generations to come, and they should be treated like the best. Furthermore, something that has been on my heart to do is, limit terms on politicians. This has never been done before. It is time to make history and make this happen. There are other great things I would love to get done for us Washingtonians, from creating stricter laws on pedophiles, stricter voter ID laws, again term limits, to even raising the speed limits on some highways. Plus, to step it up I don’t ask for donations, my name isn’t bought like most of them are. I even will be giving the paycheck back to the public. Giving it back to local communities and building families up. The other part was to building Butler Corps. I am not asking for money. I’m asking for your vote. Elected Experience
Fix Our Broken Monetary System: Inflation is at a 40-year high. US debt is $30 trillion and accelerating. Since 1971. The Fed’s money printing is administered like a painkiller. After 50 years, the US economy is addicted to synthetic stimulus. We can forgo the Weimar Republic pattern. There is a way out. Since 1971, wealth inequality continues to widen. QE and money printing is the biggest wealth transfer to the financial class in human history. Money printing is bleeding the working class. Inflating housing, food, and a bad fuel. The root cause of homelessness. We are in a large-debt cycle and Bitcoin will provide relief from the failing US Dollar. As Senator Solstin, I will focus on fixing our broken monetary system. Bitcoin eliminates the magic money printer. Eliminates inflation. Crypto does not. Crypto is fiat.

I want to be Senator Solstin to give control back to citizens. I advocate privacy, individual sovereignty, and private property. In summary, Bitcoin. Nothing else is sufficiently decentralized. As a privacy advocate, I will fight every CBDC effort, including countries who implement a CBDC. The US worker shouldn’t compete with an ultra-centralized, economy. Central Bank Digital Coin is slave money. Dystopian. I’m happy to debate this with any opponent.

Conservativist: I will fight for clean air, clean water, clean soil, and clean energy. STEM Leadership: The internet’s TCP/IP accelerates the velocity-of-data. Bitcoin’s BTC/BNL accelerates the velocity-of-value. Both protocols demonstrate decentralized resiliency, and accelerate the digital transformation of Science, Technology, Engineering and Math (STEM). I will strategically invest in STEM’s digital transformation, accelerating abundance and prosperity for everyone. The aging US Senate desperately needs proven, STEM leadership. In the next term.

Statement
These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities. As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, made COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers’ rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families’ costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

Bring our Washington Orca back from Florida. Please vote for Thor Amundson, U.S. Senate.

Statement
I am a successful entrepreneur, businesswoman, wife, and mother. Born and raised in Bellevue, WA, I have watched firsthand our state’s downfalls. Friends ask me “Naz, why would you put yourself out in the angry political world?” Simple. As the daughter to Iranian immigrants and as a wife to a husband whose family fled the Socialist Republic of Romania, I have seen sacrifice. I love my country, I love the constitution, and I want there to be a future for my children and yours! As an independent, I believe that our differences empower us and that respect is essential, even when we disagree. We all see the bad in our society, but I am more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

I believe in our 2-party system. I will pledge allegiance to our country and the people of WA! I promise to be honest, upright, and continue holding the same moral values that I hold in my personal life, family, and business. I won’t be bought by special interest groups and I will put the greasing issues that plague our state first on the list. From holding state officials accountable with homelessness funds, to fighting for the average American family, to providing free broadband, to fighting for net neutrality, to student loans, energy innovation, immigration, etc. The list goes on and I’m prepared to bring solutions to the table and work between parties to get things done!

Who is best to represent you Washington? A democrat? A republican? Or is it an independent? One who truly loves her state, the Washington people, and wants to better the quality of life for all? The voters have to decide. Thank you for the opportunity to serve and represent you!

Qanon, Putin are geopolitical cancers. These enemies are existential threats to our Constitution & Democracy. We need newly elected bold and energetic within U.S. Congress. I’m an Engineer and the America’s 1st Data Scientist U.S. Senate candidate. As a Progressive who rejects corporate campaign donations, here’s my new Senate Reform Ideas platform.

**Term Limits Contract**
If I serve more than 2 terms in office, I go to prison or face lawsuits by Washington State citizens; I propose a legal framework contract between myself and Washington State Executive Branch Government. Understand, if the terrible “Texas abortion hunting” is legal, then my contract proposal can be too.

**Radical Transparency**
Let’s end secret backdoor lobbyist meetings; Make lobbyists’ lives more difficult. The police must wear bodycams, so should politicians. I will be the 1st politician to wear bodycams, livestream record all interactions with lobbyists. My Senate Staffers will wear bodycams too.

We must ‘Reframe National Security” = “All Basic needs met for all Americans” These are investments in America, not a burden. Healthcare, higher education, Public Infrastructure & Fighting Climate Change. Think about the broken 1977 Bridge of Vulcan, West Virginia. That desperate town actively requested foreign aid money from U.S.S.R. (see Wikipedia). When we don’t take care of our own citizens, this makes us extremely vulnerable to foreign actors.

**U.S Defense budget has never been audited, but it’s not wise to cut before measuring. Let’s impose ‘failure to audit penalty’, look DOD budget at FY2019 with annual 10% reallocation penalty towards boosting Veteran medical care and cash payout to Veteran families’ welfare.

In closing, I’m the only candidate in America offering Term Limits Contract & Bodycam fulltime. This is a 1 time offer, Washington State. I’m in no position to run for public office again in the future. Peace "misc-drop"

**Statement**  
Hi, My name is Derek Chartrand and I am working hard to represent you in Washington’s 1st District. Born in Bellevue and raised in Redmond, I have called beautiful Western Washington Home for over Four decades.

Today, politics need to change or we will get what we don’t want: unrepressive, out of touch “career” politicians whose main goal is to fund-raise to get re-elected. Politicians should work for and be accountable to You, the voter; I will continue working hard fostering relationships that will bind our similarities and celebrate our uniqueness to ensure all of us can pursue Our “American Dream.”

Campaigning and driving part time for Uber the last 4 years, I have heard from thousands of voters. Your voice matters. My hyper-inefficient, deviating from inappropriate policies. The cornerstone of my campaign are Common Sense and Civility. Let’s make our country a kinder and gentler Nation. I am pleased to be Americans and we need to radiate that message. As a compassionate capitalist I’m mindful of our planet.

My passionate planks of my platform are: Term Limits, Veterans, Environment and education reform. We can improve the economy and help the middle class by providing training for trades jobs that are critically low such as electricians, fabricators, plumbers and truck drivers, and enhance STEM for our 21st Century economy.

I will use my talents and ability to work across party lines to ensure everyone in the first district feels like their children and grandchildren have a realistic path to “Their” futures success. Join me in using Common Sense and Civility in Washington DC as I ask for your vote to represent you! Together we can make a difference! Neighbors like yours are voting for me, Join US.

God Bless You and Your Family and God Bless America!

Graduated North Babylon High School 1983, attended Everett Community College 1998-99

**Community Service**  
I currently serve on the Boards for Parks and Recreation, Arts and Beautification, and WRIA 8 where my primary focus is protecting our open spaces and environment. I currently volunteer at the Mill Creek Food Bank and my community church.

**Statement**  
Now, more than ever, Congress needs representatives who will honor their oath to the American People. While crime and inflation soar, our current national leadership continues to ignore the needs of the people. I am committed to restoring public safety, revitalizing our small businesses, and holding Congress fiscally accountable.

As a Deputy with the Sheriff’s Office for over 22 years, and a Mill Creek Councilman for the last seven, I have been able to accomplish many things in my community to make it safer, cleaner, and more prosperous. Mill Creek has been rated one of America’s most livable cities during my tenure.

I led the charge in hiring more officers in my city while others were focused on “defunding or reimaging” their police. In the wake of the Washington Supreme Court’s decision to legalize the possession of drugs, I authored a city ordinance to decriminalize the possession of drugs like fentanyl (now the #1 killer of Americans 18-45), methamphetamine, and heroin.

On day one in Congress, I will introduce the Law Enforcement Community Standards Act which will hold cities accountable that fund their police. In addition, I will also introduce the Prosecutor Responsibility and Defender Act which will hold prosecutors accountable for allowing repeat offenders back in our communities. Finally, my “Reaplay and Retry” Bill will divert $800 million of unused American Rescue Plan Act funds and give it back to businesses decimated by the mandates.

I have honorably served you as a soldier, deputy and councilman for more than 29 years. I humbly ask to serve as your congressman. With your help, we can repair the damage inflicted across America.

Proudly endorsed by former King County Sheriff and Congressman Dave Reichert, Snohomish County Sheriff Adam Fortney, the Snohomish County GOP, and your local law enforcement.

**Other Professional Experience**  
Successful career as a businessman and entrepreneur. Former Microsoft executive, led local high-tech startups. Former Director of Washington’s Department of Revenue, where led efforts to simplify the tax system and help small businesses.

**Education**  
B.A., Biology; Reed College, M.B.A., University of Washington.

**Community Service**  
I’ve mentored students at UW Business School; been active in my church, serving as a board member; Volunteered with the PTA, Girl Scouts and YWCA, supporting transitional housing, job training and services to help families get back on their feet.

**Statement**  
These days, our country faces serious challenges. Families across the 1st District are concerned about the future. More than ever, we need the sort of pragmatic leadership I am committed to delivering. My focus is on tackling inflation, rebuilding our middle class, standing up to the extremes, and protecting our rights.

We’re all frustrated with the divisiveness of politics in the other Washington. Too much performance, not enough substance. I am the opposite. In Congress, I’m committed to putting aside hyperpartisanship to deliver results.

I led the expansion of the Child Tax Credit, which sent families up to $300 per child monthly last year, reduced taxes on 40 million families and dramatically cut child poverty. I helped enact a low-income act which will give families Act funds and give it back to businesses decimated by the mandates.

My background as a successful businesswoman and entrepreneur helps guide my efforts to restore economic stability, prosperity and opportunity. I’ve pushed to reduce inflation by supporting policies to produce critical goods in America again, getting more people in the workforce, and lowering costs for housing, food, and gas while investing in clean energy. I secured $200 million to expand job training opportunities. My core of our country. The issues I have done from many One, I’ll defend Social Security and Medicare. If the Supreme Court overturns Roe, I will stand even stronger to protect a woman’s right to choose.

I have endorsements from Democratic groups, labor, local leaders, and many others.

I’m committed to results, not rhetoric. With the right decisions and leadership, our future in the 1st Congressional District will be bright. I ask for your support.

Elected Experience
I am a political outsider with years of experience holding corrupt government officials accountable.

Other Professional Experience
Small Business Owner, Professional Civil Engineer, American Public Works Association (APWA) Committee Co-Chair, United States Navy Veteran.

Education
Bachelor of Science Degree in Civil Engineering (BSCE) from the Oregon Institute of Technology including courses from the U.S. Navy and Skagit Valley College.

Community Service
From a young age, my parents and grandparents taught me the importance of serving my community. I am most proud of my active duty service in the United States Navy at Naval Air Station Whidbey Island and my family’s small scale farming sustainable lifestyle.

Statement
As a government watchdog, proud father, Christian, Navy Veteran, small business owner, and Civil Engineer I am confident I have the unique background needed to better address the challenges our region and country are facing as Washington State 2nd Congressional District’s Representative.

I am committed to stopping the excessive spending in Washington D.C. that has resulted in the worst inflation our nation has ever seen and stopping a national debt that will cripple my grandchildren’s prosperity. I offer my unique experience as a government watchdog identifying hundreds of millions of dollars of waste, fraud, and abuse in our infrastructure system to those who want real accountability.

Being a father of three daughters in the public school system, I believe in fighting for parent’s rights, fighting for a girl’s right not to have to compete with biological males in school sports, and fighting to stop activist teachers from pushing their beliefs in school sports, and fighting to stop activist teachers from pushing their beliefs in school sports.

As a veteran, I oppose America entering into unprovoked wars or that our country needs to act as the world’s police force. American security begins at home and having strong borders with a thoughtful immigration system reflects we are a strong nation.

Our nation was founded on the belief that citizens have the right to bear arms and this time of increasing violence, crime, and assault on our first responders, has proven this right must never be infringed upon.

As a state leader in the election integrity fight, I am ready on day one to fix what has been happening to our nations elections system, stop those who do not want free and fair elections, and restore faith in election results. By supporting me you are supporting accountability, fairness, and rejecting partisan politics as usual – I ask for your support.

Statement
I believe our country is in Crisis. If we continue in this direction, our Economy will become weaker; more of us will lose our jobs, our homes, health care and pensions. Nationally and Internationally, instability threatens us all! Also threatening us: career politicians, spending years in Congress, Pelosi puppets, entrenched politicians who got us into this mess, often getting rich, at our expense.

Years of weak representation is enough. I am a Citizen Candidate who will always work hard for you, offering Change, problem-solving, shaking up the system. As a first-time candidate, I believe my fresh perspective is needed to bring the necessary accountability and fiscal responsibility.

My Congressional Focus: Inflation and Jobs; National and Border Security; Lower Energy costs; Cut Spending; Balanced Budget; Reduce National Debt; Strong National Defense; Limiting Government’s size and reach; Drug and Human Trafficking; Mental Health; Fully Honor commitments to Medicare, Social Security recipients, and Veterans; Reduce Federal Regulations, Invasion; Public Safety, Compassionate, effective Law Enforcement; Business and job growth; Environmental, Election Concerns. Always Communicate, Faithfully, I will Represent You with Integrity.

I seek Climate Change – in our political discourse and direction. I will never resort to political lies or extremism, but advance Truth, Balance, Respect, and Understanding.

Let us not return to power those who got us into this mess. I humbly request your Vote and Voice. Together, We will Change Direction: Restoring Hope, Confidence, Trust. I am Ready – To Represent You!

Statement
As a proud veteran, I served this country, defending it from foreign threats as an enlisted United States Air Force member. I now wish to serve and fight against a new kind of threat in a war waged on the American people. Career politicians have fostered corruption by destroying our nation with crime, drug use, homelessness, critical race theory, inappropriate curricula for minor children, and Marxist, globalist agendas. Little to nothing is being done to combat inflation as soaring prices are seen in the grocery store and the gas pump. Policies promoting proxy wars spending trillions while rising college debt and child support cripples the American nuclear family. The ferry system, roadways, and utilities are a complete disaster, with rampant fraud costing taxpayers billions. Mental health is in significant decline, and our basic autonomy over our bodies, as protected by the constitution, is under constant attack.

It is time to get back to basics with a reduction in federal government overreach, accountability, and criminal prosecution of corrupt politicians and public servants who have stolen from taxpayers. Our district had little to no advocacy against the current horrific policies destroying businesses and shutting down our economy. Americans need to unify and collectively advocate for change. Regardless of the side of the fence you are on, a middle ground can be found, but never should we compromise with the bedrock of the basic human principles on which our forefathers founded this country. I take calls to defend our first responders’ personnel. More taxes and bureaucracy are not the solution. We need to enforce our existing laws and bring back community standards to lead by example, protecting our family, neighbors, and friends. Together we can save America, stop socialism, and take back our towns.

Elected Experience
As a teacher, union leader, and working class dad, I know the struggles working people face firsthand. The cost of living keeps going up while wages flatline. Our climate is in crisis. Millions can’t afford healthcare or struggle to keep a roof over their head. And Congress has failed to act because they work for corporations, not us. But we can change all of that.

Other Professional Experience
Congress must codify Roe to protect our right to privacy and bodily autonomy. States are passing laws stripping reproductive rights and attacking the LGBTQIA+ community. I’ll fight for federal protections against those dangerous laws, to abolish the filibuster, and expand the Supreme Court.

Statement
Endorsed by local Republican Liberty Caucus. Leif Johnson will use his experience in the Private Sector to bring a Better Future for our Children and Communities.

Going into DC with other America First P.A.C.T. members, Leif’s cooperative nature and problem solving expertise will help to remove financial and personal constraints for all Washingtonians.

Leif understands that it takes autonomy and a thriving economy in order to resurrect thriving communities. Holding onto more of our hard-earned income will allow us to properly fund our lower level governments and community organizations.

Leif will ensure that our Federal Government keeps to their business so we can get back to conducting our own business in Washington State! We will be freed up to responsibly operate our refineries at 100%, lowering our costs of living while increasing our viable employment opportunities. Leif will implement tax incentives encouraging private sector skilled training programs, creating new jobs and opportunities for viable careers. Leif understands the value and beauty of our Washington State resources; our forestry, our farmlands, our fisheries and our manufacturing and production industries. Leif will work to responsibly open up industries while balancing the needs of our environment.

Leif will ensure that immigration laws are adhered to so that we only bring in foreigners with skills that contribute to the betterment of our state. Leif will see that our focus in children’s education is put back on exorbitant Federal spending. Turning back the tide for a better Washington.

Statement
As a Constitutional conservative Republican, I’m running to bring civility, honor and integrity back to a broken Congress. As a WeThePeople candidate, I’ll uphold my Oath of Office when elected and represent my district, community, state and country to the best of my ability with convictions as a US Patriot putting our US Constitution and America/Americans first always! I am not a politician, and never held a political office but truly believe our Founding Fathers encouraged the average people to run for office and to have a voice in our Country.

I believe in a strong America, led by strength always supporting Americans first. As a Navy daughter, I was brought up to love God, my Country and flag. As the wife of a career US Navy Seabee, I’ve lived overseas and honored to have been an ambassador for our Country, standing by my strong American convictions/ values and defending our Rights, beliefs as an American. I’m pro-life, an avid, fierce 2nd Amendment supporter/defender, believe in the Rule of Law & Order, support our law enforcement and military, secure borders, legal immigration, a free, robust economy, less government, school choice and the pursuit of life, liberty & happiness. I’m a visionary, fore thinker, and believe my vote must have foresight adhering to our US Constitution, Bill of Rights and the morals, values our Country was founded on. I am a fighter, MamaBear and will be a loud voice, and if required, stand-alone defending our Constitution, country and citizens.

I seek your vote to represent you, the American citizen who’s often been ignored or forgotten. I will be a defender for America and my fellow citizens, always! Thank you and God bless our great America and each of you. Please see my 2020 voters’ pamphlet statement as well.

Statement
I am proud to serve the people of Northwest Washington. Representing your voice in Congress is the honor of a lifetime. Our region is special, and so are our neighbors. Your strength and resilience are what motivate me to fight on your behalf every day in the other Washington. Here is why our fight must continue.

You deserve an economy that works for you. Passing the CARES Act in 2020 created an economy on the mend. Passing the American Rescue Plan and infrastructure bill in 2021 created an economy on the move, with low unemployment and strong economic growth. We must now focus on inflation and pass Democrats’ plan to lower everyday costs, including health care, childcare, and gas. You deserve limits on corporate power. This means preventing companies from generating record-high profits on your back by raising record-high prices. It means requiring all corporations to pay their fair share in taxes. And it means getting the power of big money out of our politics and returning power to you.

You deserve a sustainable environment. This means protecting our natural resources, which are critical to existing local jobs that rely on our water, land, and wildlife. It also means reducing carbon emissions, which is the key both to reversing climate change and to creating future local jobs that rely on clean energy.

And, with women’s reproductive rights under threat, women everywhere deserve federal legislation that protects their right to choose.

I was born and raised here, and my wife and I are the parents of two boys who represent the fifth generation of Larsens born in this district, I take the future of this community as personally as you do. I am committed to building an economy that creates more jobs and opportunities for all. I ask for your support.

Your district may have changed

Every 10 years, following the U.S. Census, legislative and congressional district boundaries are redrawn in a process called redistricting.

Redistricting ensures that each district has about the same number of people, which means equal representation in government.

As a result of redistricting, you may have been assigned to a new legislative or congressional district.

If you have changed districts, you will vote on different legislative or congressional races beginning this year.

For more information about new district boundaries or the redistricting process, visit www.redistricting.wa.gov.

Statement
Right now more than ever we need to come together, united for a brighter future. It is important that we take care of those in need while preserving the personal freedoms and rights upon which this country was founded.

Last year I lost my business and most of my belongings, and though it was a very difficult time, it taught me a great deal about the true state of the economy, and the importance of identifying and addressing financial problems as early as possible. In my time of need, others were there to help me with my basic needs, and I want to pay that forward.

We must solve the many challenges ahead, and I believe we need new leaders who think differently and without compromise. We need a plan to orchestrate a digital overhaul of our government, and my vision includes the ability to route funding and assistance where we need it most, in real time.

I also have a plan to implement a system that will identify financial fraud well before it affects our economy. These systems will also help with better climate modeling, farm production, energy sourcing, wildfire prevention, and many other important factors, all directly affecting our quality of life.

All funds saved will be prioritized for helping those who need it most which will improve our communities while reducing taxes. If elected, I will commit to funding zero investments of any kind, and I will make sure all personal financial information public. I will also refuse to accept campaign contributions from any corporate or foreign interests.

It is time we shift our approach to the problems we currently face, and make decisions for the good of everyone in this great country. It is time for us to build the Smart Government of the future.

Statement
You sent me to Congress because you knew I would advocate for you the same way I stood up for children and families for over 20 years as a pediatrician. I promised to be an independent and effective voice for our district, someone willing to work with both parties to deliver real results that matter, help us past, I have a bring down costs for working families, to get Veterans the quality healthcare they deserve, and to support training and resources for local police because everyone deserves to feel safe in our community.

As the only pediatrician in Congress, I’ve helped pass laws to actually bring down the cost of lifesaving prescription drugs, like insulin. I will make sure that we can make healthcare and other everyday costs more affordable for middle class families. As a doctor, I will always fight to protect a woman’s right to choose and to keep politicians out of private decisions between a woman and her doctor.

I am the only member of Congress from the Pacific Northwest on the Agriculture Committee. I have worked with both parties on behalf of our farming communities to support trade, encourage sustainable agriculture, advocate for commonsense immigration reform, and fix supply chain disruptions so farmers can get their goods to market.

I will continue to champion responsible stewardship of our cherished public lands, clean air, and water.

With nearly 100 town halls, I’ve listened, I’ve learned, and I’ve gone to bat for you in Congress. It is an honor to serve you and I humbly ask for your vote.

Endorsements: League of Conservation Voters, Washington State Labor Council, Planned Parenthood Action Fund, Alliance for Gun Responsibility, major donors across the district, including Avedon Mayor, Issaquah Mayor Paul, and North Bend Mayor Mulfarland.

Statement
I’m running because I believe our elected leaders in Washington D.C. have put our nation on the wrong track, and I know from experience that we can do better. I am concerned about the economy and the skyrocketing cost of living, including the price of gas, groceries, and services. A big reason for these price increases comes from unscrupulous federal spending by Congress.

On the King County Council, I have been a budget hawk and have opposed more new taxes than any other Councilmember. I believe that we must be efficient with your tax dollars by prioritizing government services. I present a clear contrast with the incumbent, who has voted 100% of the time with President Biden’s agenda and increased our national debt by roughly $10 trillion dollars – a 50% increase of the national debt in just four short years.

We’re also seeing a startling rise in violent crime. In 2001, I was appointed by the President of the United States to lead Project Safe Neighborhoods, the U.S. Department of Justice’s national effort to fight violent crime. I am proud that under my leadership we reduced crime. Unfortunately, today crime is surging once again. If elected to Congress, I will use my experience as a federal prosecutor and expert in criminal justice policy to take violent criminals off our streets and support our law enforcement officers.

As your Representative, I will work to implement my “Roadmap for Our Recovery,” which will focus on cutting inflation, lowering prices, creating energy independence, securing our borders, assisting with behavioral health disorders, protecting our environment, and fighting crime.

I ask for your vote to bring civility, experience, and independent leadership back to Congress.

Statement
I’m running for Congress because we all deserve a better, safer, Washington to raise our families in. As a father of 4 young children, Christian, business owner, former White House staffer, and prosecutor, I have a unique qualified perspective on the problems plaguing our state. My roots deep run in Washington—I was born and raised here. My family has lived here for 165 years. We own a 3rd generation, manufacturing company, employing over 600 people, making products in the USA which bring hundreds of jobs to people globally.

Washington is heading in the wrong direction. Enabling policies and our crisis at the border have led to skyrocketing crime, homelessness, and drug abuse. Our state desperately needs a leader to tackle these issues.

We need to give parents back their voices in their children’s education. We need to lower inflation so families can pay bills and fill their gas tanks. We need to ensure free, fair elections and a strong national defense which starts with energy independence.

Together we will reign in federal spending, Make Crime Illegal Again, take back our streets and parks, and restore hope for everyday Americans. I’m a hard worker who will never stop fighting for Washington families— it’s time to roll up our sleeves and get to work!

I’m proudly endorsed by the Pierce and Snohomish County Republican Parties, Seattle Police Officers Guild, WA Young Republicans, Shomron County Sheriff Adam Fortney and the Pierce County Sheriff, former WA Treasurer Duane Davidson, former WA Attorney General, Senators Phil Fortunato and Jim McCune, Representatives Carolyn Eckart and Robert Sutherland, former King County Councilwoman Kathy Lambert, Pierce County Councilwoman Amy Cruver, First Responders, Health Care Professionals, Radio Talk Show Hosts, Businesses, Teachers, Veterans and many others.

Washington deserves a Congressman who’ll fight for them—because Washington is worth fighting for!

I have never held elected office.  

**Statement**  
10 million Americans are unemployed today because of our trade policies. That is what a Trillion-dollar Trade Deficit means.  

NAFTA is a failure. The WTO is a failure. US Trade Policy is a failure. The Social Problems caused by these failures are unacceptable. When 10 million Americans lose their jobs, that means that 10 million American families are affected. We are talking about people who do not have enough money to buy a house; people who do not have enough money to send their children to college; and people who are stressed out all the time because they can’t pay their bills. When a foreign government gives subsidies to its airplane industry, or when a country which is selling thousands of cars over here refuses to allow farm products to be sold over there, ordinary Americans suffer.  

The larger issue here is that certain governments, like China and Germany, are determined to maintain a permanent Trade Surplus against the US. During the Cold War, the US government decided that supporting our allies was important enough that losing a few American jobs was worth it. For this reason, we entered into trade deals with West Germany, South Korea, and Taiwan which were very beneficial to them. The Cold War is over, but the threat to careers remains. We have an entire generation of bureaucrats in Washington who have never questioned this, because they have never known anything different.  

The word “Trade” means “We buy stuff from you, and you buy stuff from us.” Whatever we have in America today is not any kind of “Trade.” It is a one-way street, and ordinary citizens of this country are paying the price. We need to tear down the existing system of International Trade, and create an entirely new system.

I want to change this because when I think about our future I see more of us participating and enjoying existence. It is time to put limits on our elected officials. Let term limits be a mark in our history of when we became pioneers again.  

As your U.S. Representative my main focus will be passing term limit legislation.

The people of Washington need a representative that is fighting for them, regardless of who they voted for, or what party they belong to. A representative that will work with their fellow lawmakers instead of against them.  

I am running for Congress to be your voice, your advocate for change in how America can realize the promise laid out in the founding of this nation of “Life, Liberty, and the pursuit of Happiness.”  

A proud lifelong resident of Washington State, I grew up living in both Seattle and Wenatchee, splitting my time between each every year, which gives me a unique perspective on life in these vastly different communities.  

I am here to help this country get back on track: ending policies that benefit the rich while harming the middle class, supporting scientists seeking solutions to address the impacts of climate change, and guaranteeing the civil rights of all Americans by ensuring the law applies equally to everyone.  

Our children deserve to live in a world free from the threat of coercion and violence. We as a nation have a shared responsibility to voluntarily help those who cannot help themselves. We need effective support for non-profits and programs that provide real solutions to address homelessness, provide comprehensive mental health and addiction support as well as ensure that no one is left hungry due to situations beyond their control.  

My skills in organizing people from different communities and backgrounds, with disparate, potentially conflicting ideologies can create a collaborative environment in Congress where the focus is on creating solutions that provide benefit to all Americans. Looking at the history of this country and our government, the most successful progress has always come from bipartisan efforts. This is the only way that we will succeed as a nation.

Ranked choice voting to defend democracy: ending unconstitutionally illegal, abusive judiciary case “laws” and “orders”; government and businesses serving the people (not the reverse); quality schools; fair free global trade; not ending analog television prematurely; clean green renewable energy sources; supporting our troops; economic and financial futures; not starting the wars in Iraq and Afghanistan or bank bailout; immigration law enforcement foodstuffs and abusive employers; progressive tax system for higher incomes; universal healthcare; ProLife (exceptions: rape, incest, significant health risk); UN-focused world unity are among my commitments  

**Statement**  
Correct governing is a manual system without automatic safeguards making it vulnerable to cheaters. Government office needs a watchful, strong, honest, dedicated person. I am that person.  

 Ranked choice voting preserves the peoples’ voices which is why we need it everywhere.  

Having ranked choice voting allows election thieves to silence peoples’ voices which is why they don’t allow it everywhere.  

 Ranked choice voting is necessary to defend our elections because it protects against election thieves splitting an opponent’s vote. It means voters rank election candidates in the voter’s preferred order. If one candidate has more than half the votes after each voter’s first ranked choice is counted, then that candidate would be the winner. However, if no one has a majority at that point, letting the person with the most votes but less than a majority steal the election is avoidable and, therefore, ridiculous. With ranked choice voting everyone’s additional ranked choices are added to the count until someone has a majority.  

In the time because if all the ranks are added, if no one has a majority, only then will the nonmajority highest vote getter win.  

Judiciary “opinions” changing same government level legislative or executive actions without, at least, legislative panel approval is insubordinate (towards legislature [judiciary’s superior]) unconstitutionally illegal wrong.  

Our elections are always under attack from rightwing and leftwing ideological extremists, foreign and domestic. These extremists lie to destroy America’s democracy by America’s democratic voices. Both extremist wings tell misleading slogan lies to cover up their double standards.  

Top 2 primary is a useful step in the correct governing direction. Ranked choice voting is an even more important step. A Washington previous ranked choice voting system was mistakenly ended instead of expanded. Mail in balloting emphasizes Election Day should be the last day to vote, not the only day.

Statement
As Secretary of State, working with our citizens and Legislature, using only American labor not more globalism, I commit to improving and replacing election systems and processes as needed to guarantee every Washingtonian who can legally vote can easily vote. We can’t have people who legally cannot vote to not vote, and implement a voter identification system and routine audits to protect the integrity of our elections. Compared with accuracy and transparency requirements for engineering, banking, and healthcare, our elections have been completely subordinate. We deserve and will build an election system that earns our trust.

We need a strong voice of the people serving in Olympia, someone who has a record of actually getting things done, not just another government career builder, political agitator, or activist trying to build name recognition. We need innovative, free-market solutions proven in the real world. My successful career was built outside of the swamp of government. Like serving on jury duty, I will serve our people, taking responsibility, deliver what I promise, then return to private life, and never make excuses.

For those unaware, China is assembling a ‘security’ pact in the Pacific. This amounts to a series of gas stations for their 350 ship navy, 80 ship maritime militia, and any aircraft and small craft imaginable. They already have Guadalcanal. They also have 100 tankers and 400 containerships (Temporary help troops). So, if China chooses to, they would have a million Chinese troops in Western Washington. Where there is a huge anchorage and ready protection from our Army provided by mountains, deserts, and rivers. If this comes even close to happening, we will already have had a bad day. Long before then I want the Military to Recon the place hard and think about what to do with that much trouble.

China’s move is not so much new as next. Part and parcel to the happenings in Ukraine. You don’t need ESP to see war clouds大局. We must get our supply chain out of their country. That wont happen by itself.

Then there are the republicans. I think the free states should sue the slave states. To have a free and fair election in the United States, it must be free and fair in every state.

I was born and raised in Russellville, Alabama, to a young mother and father. Growing up in the south as the 2nd oldest of 14 children was challenging at times; however, I garnered valuable leadership skills and the ability to influence. I learned the importance of hard work, giving back to the community, and becoming a person of value. After graduating high school and attending college, I decided to pursue a new career by enlisting in the U.S. Army and serving my country. Soon after my military career, I obtained my B.S. Degree and maintained a career in Banking. Washington has been my home for nearly a decade, and I enjoy volunteering and hiking.

I choose to run for Secretary of State because representation matters, voter education matters, election security matters, and restoring confidence in our democracy matter. Washington state has maintained recognized leadership in the nation with its impressive mail-in voting process and same-day voter registration. I believe I can carry on that legacy once I am elected.

As an openly gay man of color, it would be a groundbreaking achievement once I am elected.

I ask you for your vote to become your Secretary of State. #EatEmakehistory

Statement
I am an Election Integrity Investigator fully committed to restoring transparent, secure and verified elections for all Washington voters. Currently, we are told that our mail-in system is the most “convenient, accessible and secure” in the country, yet we appear to be sacrificing voter confidence in the name of convenience. The public is currently prohibited from inspecting the key aspects of our elections despite vulnerabilities of tabulation machines being widely known. Our voter rolls don’t appear to be properly maintained which could allow fraudulent ballots to be accepted, and because anyone with your name and birthdate can look up in your ballot, we currently do not have verifiable ballot chain-of-custody. This isn’t a partisan issue. If we can’t trust the process of how we elect our representative government then our Democratic Republic is only an illusion. We the People must be the key to solving these problems. I am the only candidate in this race committed to restoring that accountability.

These commitments are why I am endorsed by numerous County Auditors who conduct elections, labor and business, voting rights advocates, and prominent state and federal leaders.
  - The Secretary of State must possess the highest standards of integrity and leadership and serve as a strong advocate for voting rights in Washington.   - For five decades, Washington voters across the political spectrum, have trusted Republican leaders to oversee our sacred right to elect our own leaders. That ended when the governor appointed a Democrat to fill Secretary Wyman’s vacant seat. I am running to return this office to the “people’s choice” and to restore balance, accountability, and integrity to our election and voter registration system.
  - Washington has one of the most accessible election systems in the country; that needs to be protected. But with accessibility comes risk. Washington needs a Secretary who understands the value of your vote and the need for constant vigilance and security improvements to protect the integrity of our elections; the bedrock of our society. Under my leadership, this office will be proactive, unbiased, and transparent.
  - Voter confidence suffers when we do not definitively and consistently demonstrate a commitment to free, fair, and transparent elections. And when confidence falters, voters no longer participate. I am the only candidate who has actually sponsored legislation (Washington Voter Confidence Act) to both improve access and accountability. I am not running to make things better for any political party, I am running to make things better for Washington State voters.

  - I am running for Secretary of State to restore trust and integrity to government, especially our election systems. From registering voters, to eliminating irregularities, and to auditing and validating all votes, I will insure 100% accuracy and compliance with laws!
  - We need a passionate, experienced leader to lead this critical agency who will work with county auditors and fight for election integrity and fairness. I’ve spoken to many Washingtonians, Republicans, Democrats, and Independents alike, who feel as I do that our concerns with government performance are not welcome. It shouldn’t be controversial for Washingtonians to ask for transparency or demand audits and evidence of zero fraud. Yet many who have asked about problems or irregularities, have been mocked, silenced, or labeled as conspiracy theorists.
  - Citizen oversight over government is uniquely American! I will support all people, of any political or policy belief, who want to be involved to ensure that their voices, and the voices of all others, are heard.
  - If I accomplish one result as Secretary of State, it would be to ensure that all Washingtonians are 100% convinced that elections were accomplished with integrity, and the results are true. I would be honored to get your vote!

  - Polarization has eroded trust in our government. The Secretary of State has the critical job of running trustworthy elections, as well as providing public records access, business registry, and library services. This demands experience. Partisanship has no place in the Secretary of State’s office.
  - I’ve been Pierce County’s nonpartisan Auditor for 12 years, leading a nationally recognized, award-winning office that has increased voter access, enhanced election security, and improved auditing procedures. I’ve provided oversight and statewide leadership in elections, increased access to public records, and streamlined business licensing. I hold national and state certifications in election administration and am a certified public records officer.
  - I’ve worked closely with counties throughout the state. Together, we’ve created a national reputation for excellence. That’s how I’ve earned the trust and endorsement of more than 30 Democratic, Republican, and Independent election administrators and County Auditors throughout Washington State.
  - My experience and leadership managing hundreds of elections in Washington’s second largest county has prepared me to serve as your Secretary of State. I will protect our democratic republic by making our elections more secure, transparent, and accessible. I ask for your vote.

**Statement**
- My deep community roots as an advocate led me to elected office and has informed my approach to governing. My priorities include protecting access to reproductive care; safeguarding the privacy of consumer data; ensuring access to healthcare for everyone; increasing opportunities for working families; reducing gun violence and homelessness; and fixing our upside-down tax code so that everyone pays their fair share. Together, I know that we can rise above our current challenges to create opportunity and security for all.

**Endorsements:** Snohomish County Democrats, Sierra Club, WA Alliance for Gun Responsibility, WA State Labor Council, American Federation of Teachers

**Statement**
- My current political landscape is too extreme and partisan, degrading our ability to govern. As a long-time Bothell resident, my focus is improving our economy, making our tax system fair, championing our schools, keeping neighborhoods safe, providing more affordable housing, protecting survivors of domestic violence, and preserving our environment for our children and grandchildren. Serving is about listening to our community and finding common-sense solutions. I’ll have open door and an open mind. I’d be honored to earn your support and vote. **Clyde Shavers**
(Prefer Republican Party)

**Elected Experience**
We elected Clyde Shavers State Representative just two years ago, today he serves our community as the ranking member of the Housing, Human Services and Veterans Committee, the assistant ranking member on the Civil Rights and Judiciary Committee, and the Rules and Capital Budget committees.

**Other Professional Experience**
Greg is a local attorney, Realtor, and a director for a local title company.

**Education**
Juris Doctor, Seattle University School of Law; MBA, Seattle University; BA, WWU

**Community Service**
Greg led over 1000 volunteers to build the Rotary Adventure Playground. Past Board member of the Stanwood Camano Rotary Club, Safe Harbor Free Clinic and Stanwood Camano Food Bank.

**Statement**
We elected Greg Gilday to represent us in Olympia because he’s a good guy who promised to work for good jobs, good schools, and good government. He’s kept those promises, and also fought for more housing and safer communities. Greg Gilday has earned the support of Independents, Democrats and Republicans for his reelection.

Greg is local - born in Stanwood, he’s the third generation to work in the family’s law firm. His wife Megan is a public school teacher, and their two sons attend local public schools. Last summer, the family completed 3000+ miles on a cross-county bike trip.

**Karen Lesetmoe**
(Prefer Republican Party)

**Elected Experience**
First time candidate.

**Other Professional Experience**
Joined the US Navy after 9/11. Military service led to community service: "I’ve been in real estate the last decade, helping people buy and sell homes. It’s sad to watch people move away because our legislature, ruled by one party, has made life too expensive and too dangerous. This is my home. I’m staying here to fight for our American dream."

**Education**
US Navy, Columbia College, current.

**Community Service**

**Statement**
I emigrated from the Philippines with my family when I was six, with just a suitcase and no toys. I’m proof of the American dream. I’m staying here to fight for our American dream. I’m proof of it! Now that dream is threatened by decisions in Olympia that make Washington less safe and less affordable.

I’ll vote to reverse anti-police laws that caused a spike in crime. I’ll oppose onerous taxes, like those planned for next year to add even more to the price of gas. As an active member of the community, our children, our schools, and our quality of life are my top priority.

**Statement**
It has been a privilege to serve the 12th District the past 4 years and although the geography has changed, there are many issues that are common throughout the 12th. We have seen significant increases in crime, expanded government services without sustainable funding, and agency inefficiencies without consequence. There are still great opportunities for the State if we manage our resources well and the financial commitments ensure that our government is truly working for the benefit of its citizens.

Legislative District 12 | State Representative Position 2

**Elected Experience**
Elected to City of Gold Bar Council, I served on Snohomish County Tomorrow, the Community Transit Board of Directors, and the Policy Advisory Board for CDBG. I was twice elected as President of Snohomish Cities and Towns. I understand where the system works well and where it is dysfunctional. This has more than prepared me to be effective in Olympia even without being in the majority.

**Other Professional Experience**
CTO at a tech start-up

**Education**
Studied engineering

**Community Service**
VFW, the Food Bank, my city's Finance Committee, the Sky Valley Chamber of Commerce and founded Albion Skills

**Statement**
My family moved to Washington 26 years ago and found a welcoming place. I have grown quite fond of it. I found Washington to be dynamic and creative with a world of possibilities for all citizens. Over the years, this has been diminished by government policy. I am running to provide a path back to a legislative majority with the confidence that we can make meaningful change. More importantly this change can start tomorrow. I cannot do it alone but believe deeply that together we can make Washington a beacon of hope to our country.

State Senator, 2014 – Present, current Chair of the Transportation Committee, and previously served as Majority Floor Leader; State Representative, 2006-2014; Mukilteo City Councilmember, 2006-2008.

Other Professional Experience
Communications Manager, Snohomish County Office of COVID Recovery and Resilience; Adjunct Professor, Everett Community College & proud AFT union member; founded a small family-owned construction company.

Education
Bachelor’s from Georgetown University (2003); Master’s from University of Washington (2017)

Community Service
Board of Directors, Washington Institute for Public Policy; Board of Trustees, Seattle Repertory Theater; Honorary Trustee, National Nordic Museum; Past Board Service: Youth Suicide Prevention Program, Community Transit, Snohomish County Board of Health.

Statement
I’m the son of a carpenter and school lunch lady who worked in my family’s small construction business, was first in my family to graduate college, and became one of the first openly gay legislators in Washington. I’ve dedicated my career to helping people reach their potential—fighting for economic opportunity, racial and gender equality, and safe, supportive communities.

As your State Senator, I’ve worked to improve public safety through training and resources for law enforcement. I’ve sponsored responsible gun laws—protecting victims of domestic violence, and banning high capacity magazines. I’ve fought for expanded childcare, climate action, and urgent funding for affordable housing and homeless services.

As chair of the Transportation Committee, I recently led generational investments in safer roads and bridges, new electric ferries, transitioning to electric bus fleets, and free transit for students. We did this by harnessing funds from polluters—not a new gas tax.

In all of my work, I focus on local priorities and the needs of working people—workforce development, small business support, and making sure youth have the education—and inspiration—to pursue their dreams. I’m proudly endorsed by teachers, nurses, Planned Parenthood, firefighters and first responders, and leaders throughout our region.

Education
Civil Environmental Engineering Degree from United States Air Force Academy.

Community Service
Edmonds Tree Board Chair, Board of Directors - Edmonds Chamber of Commerce, Snorking Youth Soccer Coach.

Statement
Serving in the United States Air Force was a great honor. I hear the call to serve again; to fight for residents being harmed by inflation, high fuel prices, a struggling economy, overreaching policies and high taxation coming out of Olympia. You deserve a Senator who is in touch with your concerns in the 21st District.

Ending soft-on crime policies and giving Law Enforcement the support/resources they need to do their jobs is my top priority to improve Public Safety. Addressing addiction, especially fentanyl use, is critical to saving lives, and ending most homelessness. As Senator, I will seek out and promote effective, successful drug treatment, mental health services and job training by leveraging public/private partnerships to ensure optimum outcomes, restoring human dignity and creating safer communities.

I oppose statewide decision making on municipal single-family residential zoning. This decision should be left to those at the local level – who know their city best. Over 45,000 students left our public schools recently. I will advocate that schools focus on academic excellence, for parental rights and for better school choice.

I ask for your vote. Endorsements: Washington Council of Police & Sheriffs, Mukilteo Mayor Joe Mariner, SCRIP.

Community Service
March for Life, Life Chain, Volunteer with Cedar Park Assembly of God, Volunteer with Human Life of Washington, La Leche League, Seattle Cherry Street Food Bank, Buren Hand Bell Choir, Sunday School teacher’s assistant working with small children.

Statement
There is a difference between candidates. Amy stands for lower taxes, school choice vouchers, right to work laws, and protecting your 2nd amendment rights. She is also against the decriminalization of hard drugs, and comprehensive sex education for our children. She will work to keep our neighborhoods safe by aggressively supporting our police and first responders and making sure they have the tools, training, and funding to effectively stop crime and lawlessness. Amy is proudly pro-life and fiscally conservative. This year let’s make a change in the 21st District and elect Amy Schaper to the state house.

I am a grassroots political activist and former PCO with the Republican party. I have experience door bell-ing and phone banking for candidates. I participate in legislative action every session to oppose bad bills that take away our fundamental rights and oppose raising taxes. I am a volunteer with a voter research project to uncover voter fraud. I have experience gathering signatures for initiative drives to change or improve legislation for Washington voters.

Other Professional Experience
30 year veteran of the hospitality and restaurant industry; Former event organizer and workshop leader since 2003.

Education
College of Marin and Portland Community College.

Community Service
Elementary school volunteer.

Statement
Our civil liberties and constitutional rights are under attack and need to be protected. When I am elected to the Washington State House of Representatives, I will work hard to maintain and restore these inalienable rights. I will defend the rights of parents and children to improve access to quality education. I will vote to fund education rather than overtax homeowners.

Washingtonians don't need more career politicians. They need me, a grassroots activist to defend them in Olympia. I support small business owners, farmers, homeschooling families and school vouchers. Election integrity is vital to free and fair elections.

I am a 21st century Renaissance woman and Alchemist Artist. I have been a Hip Hop Activist for over 25 years. Working across both sides of the aisle. Positive Transformation requires change building and a willingness to listen. I consider Election integrity, my ancestors fought for it. But before we can get there this State needs to do some self reflecting and, only an ARTistic Renaissance can resurrect this Region. Help it rise into its full Phoenix potential. King County’s name sake, (Dr. Martin Luther King, Jr.) is a powerful ancestor, guiding the region away from the dream, and into the Reality of the need for us all to reflect on the Content of our Character. I’m running to hold the people accountable. Most Politicians aren’t familiar with that concept. If you are a parent, Accountability reigns supreme. I embrace the principles of my ancestors and the Hip Hop Declaration of Peace. I Blaze a trail for the next generation of Artist Activists in honor of my son and my students. **Statement**
I am a retired medical doctor and raised my son in Shoreline. I got involved in politics to protect the rights of women and help my neighbors. I have not felt our voices are sincerely represented in Olympia. We deserve better.

I am committed to all aspects of better and affordable medical care and, especially, mental health treatment for everyone. Washington state is rated 31st for access to mental health treatment, a deficit hurtful to children. Housing that working people can afford has practically disappeared from the market. We see new development but the promise of affordability has not followed. We demand better. As your Senator, I will act with integrity and fairness. I support workers as they organize for improved pay and working conditions. I stand with families and public school teachers to provide the services they need. I will protect our children from gun violence and bullying. The King County and 32nd District Democrats endorsed me because they know I will be a responsive legislator that prioritizes the needs of the community. I would appreciate your vote.

**Statement**
Serving as your senator is deeply meaningful. I would be honored to have your support so I can continue to work on your priorities: safe and affordable communities, protecting access to abortion, safeguarding our environment, and improving our children’s schools.

During my last campaign, I knocked on over 13,000 doors to listen to our community’s concerns. I promised I would prioritize high-quality early education, reducing gun violence, and fighting climate change. In my first term, state funding for early childhood education increased 700%. We’ve passed bills reducing gun violence including banning guns at childcare centers and restricting high-capacity magazines. Washington led the nation addressing climate change by passing clean energy requirements and salmon and orca recovery legislation.

I passed legislation to help with housing affordability and supported funding to address the homeless crisis. As a father I understand the need to ensure our neighborhoods are safe and welcoming by reducing crime while promoting police accountability.

Crime, mental health, and election integrity are top priorities. Current legislation is failing miserably. You have the right to assurance of election security and integrity. Elected officials have an obligation to provide verifiable information for us to obtain that assurance. WA Voters are expected to “trust the system,” yet we cannot verify that our voter rolls are clean; our ballot chain-of-custody is sound; our tabulation process has integrity; our routers aren’t vulnerable to exploitation; or that our election management system is secure enough to withstand cyber attacks. Trust, but verify.

You have a right to assurance of election security and integrity, and our elected officials have an obligation to provide verifiable information so you can pursue and obtain that assurance. WA Voters are expected to “trust the system,” yet we cannot verify that our voter rolls are clean, that our ballot chain-of-custody is sound, that our tabulation process has integrity, that our routers aren’t vulnerable to exploitation, or that our election management system is secure enough to withstand cyber attacks.

I edited a video for the city of Shoreline/metrop in honor of Edwin Pratt.

Statement
Thank you for the tremendous honor of representing you in Olympia the past four legislative sessions. I’ve successfully championed major investments in mental health and addiction treatment for youth and adults, rehabilitation and reentry services for incarcerated persons, gun violence prevention, early learning, and housing. This year, I secured $7 million to support survivors of domestic violence. I also spearheaded the full funding ($17 million) for a 31-bed behavioral health crisis center in Lynnwood. I hope to earn your vote again. Endorsed by: Mayors of Lynnwood, Mountlake Terrace, Edmonds, Shoreline, and Seattle, Snohomish County Democrats.

Statement
I am honored to serve as your State Representative, working tirelessly in the State Legislature to help us recover economically from the pandemic. I worked on reducing theft crimes and increasing investments in broadband and infrastructure. My priorities: Protecting education funding, ensuring public safety, safeguarding the environment, and increasing affordable housing - particularly for underrepresented communities. I will continue advocating for local businesses and jobs, and making Washington a better place to live, work, and raise our families. I’d be honored to earn your vote again. Endorsed by: Mayors of Lynnwood, Mountlake Terrace, Edmonds, Shoreline, and Seattle, Snohomish County Democrats.

Statement
The 38th Legislative District is facing many challenges, much of them made worse by radical policies that have come out of Olympia. Have the policies of defunding the police made us safer? Our state has been under the control of a single party. There is no bipartisanship. Are we the better for it? I say no!

Inflation, crime, taxes are at unprecedented highs. We live in fear, distrust and sticker shock. Morality, education and trust in our public institutions are at all time lows.

That is why I am running to stand and say “enough!” I have 45 years experience of working to protect and serve others. I know what it feels like to not be heard, or seen for that matter and therefore I will be the better.

My experience as a veteran, law enforcement supervisor, and union steward, will give me a perspective that will benefit my constituents. I will work to restore public safety, reduce taxes, increase businesses, restore fiscal accountability and rebuild public trust. I am endorsed by the Snohomish County GOP, 38th Legislative District, Snohomish County Corrections Guild, current and former elected officials. “We Can Make a Difference” but I need your vote.

Statement
Serving as your State Senator, I’ve delivered resources and action on local priorities; record investments in affordable housing and behavioral health services; support for law enforcement, including training and accountability for our officers; overcame transportation investments without raising gas taxes; expanded child care and early learning; tuition-free college for many families; access to affordable healthcare and lower prescription drug prices; paid family leave for working women and men.

While others played politics with our pandemic response, as a public health professional, I advocated that we follow science and common sense. My focus was on keeping us healthy while getting life back to normal, small businesses back on their feet, and kids safely back to school. As a mom, I know we need to make sure our kids have the supports they need—restoring not only educational opportunities, but their emotional well being.

I’m proud of my record of standing up for everyone in my community. With the unacceptable increase in hate crimes, and partisan attacks on reproductive rights, I’ll always be a voice for our shared values of equality, equity and opportunity.

Endorsed by: Planned Parenthood, State Labor Council, teachers, nurses, Executive Somers, legislative colleagues, local elected leaders and more!

Award winning public servant, including: Domestic Violence Services Award, NAACP President’s Award, Trooper of the Year, and the Washington State Crime Prevention Association Sheriff of the Year.

Statement
Senator John Lovick is running to provide the leadership we expect from our elected officials while delivering the results our community deserves.

Leadership matters. An experienced problem solver, John passed legislation that will bring our communities and economy back to full strength. Recognized for his law enforcement experience, he sponsored bills that make our communities safer and streamlined our justice system by expanding the number of judges in our local courts. On the Transportation Committee, John helped pass a transformative 16-year investment that funds critical projects, reduces commute times, provides for maintenance and repairs, and protects the environment – all without raising gas taxes.

Recovering from the impacts of the pandemic has been a top priority. John’s efforts eliminated taxes for 125,000 small businesses, provided unemployment insurance relief for all businesses, will keep schools safe and open, created affordable housing, and expanded mental health services for children and adults.

John’s commitment to service is unmatched. His deep connection to our community can be seen through his actions. While some talk, John just gets it done. We can count on him to continue fighting for good, safe schools, roads, and jobs. John Lovick: Leadership with Results.

Community Service
I volunteer with my church Venture and Dwellings Now building homes abroad and with my friend’s local construction business. I CARE to serve local neighbors who need a hand. For me it is important to work alongside homeowners who provide equity to build a home.

Statement
Why are we okay with accepting “politics as usual” and voting into office the same ineffective people? I’m not complacent with broken, I expect results for my tax money. I expect a better Washington than what we currently have. I’ve built my reputation in business by asking where money and time are being wasted, and then finding solutions for improvement. If something is ineffective, fix it, get rid of it, replace it, don’t accept it. Inflation is impacting us all, the government needs to be accountable just like your household budget, especially because they are spending your money.

We need to begin in our schools by providing financially accessible education whether a university degree or vocational training. We need to promote business creation and growth, not hinder business with restrictive regulation. We need to support our police, as it is time to feel safe again. But we also need to make sure that our police are equipped to address growing homelessness and mental illness issues plaguing our state.

I’m running for office because I expect to make a difference just as I have in every job I’ve ever worked. I will to serve you, to make your life better.

Statement
It’s been a rough few years. Family lost to disease, dreams to rising costs, safety to unenforced laws. I lost my little sister to suicide deep within COVID isolation. Inflation stretches my family’s budget to the limit; affording a home seems forever beyond our grasp. Instead of leading, our legislature handcuffed law enforcement, inflated costs for working families.

These times will not imprison us and steal our future. Behind problem-solvers, not ideologues, Washington will flourish for everyone. I pledge my economic skills toward: lower costs of living, affordable healthcare, strong families, safe communities. Together, let’s reclaim a limitless future.

Elected Experience
First-time candidate. Endorsements: law enforcement, Sam Low, Rob McKenna.

**Statement**
Using my 18-year background serving the community in law enforcement, I am running for Prosecuting Attorney to ensure our County meets the public safety needs of all residents, in upholding law and order. Snohomish County can grow and prosper under leadership that unites for public safety, protecting neighborhoods from rising crime and eliminating “soft on crime,” “catch and release” approaches which are total failures.

As your Prosecutor, I resolve to get back to basics and hold criminals accountable for their actions, while pursuing proven steps designed to help those individuals overtaken with drugs and mental illness. I will leverage my law enforcement and government management experience to better coordinate with police and ensure Deputy Prosecutors have the training and resources they need to do their jobs. Extra attention must be given to address the most violent and prolific offenders that put our communities at risk.

Residents deserve to live and feel safe in Snohomish County. We can be compassionate without surrendering to chaos and the criminal element. With your vote, we can return the criminal justice system’s focus to protecting victims and the greater community, making our county a safer place for everyone.

I ask for your vote.

As a lifelong resident of Snohomish County, I have been honored to serve in various roles with my community. My clear record of supporting the environment, financial responsibility and community engagement has led to endorsements from the Washington Conservation Voters, the 39th LD DDO, and dozens of elected leaders.

I’m running for the PUD because I believe it’s time for a change. I will be a commissioner who engages with the community, fights for working class families, works with staff, not just at the executive level but across the PUD, and someone who understands the severity of the climate crisis. We need someone who is bold in fighting for what is right, not what is politically convenient.

My experiences as a Council Member have prepared me to work with business, state, and local leaders to ensure that the PUD is ready to take on our modern day challenges. Together we can work to ensure cleaner energy and greener communities to secure a brighter and better future for our children and their children.

I would be honored to earn your vote to be your next PUD Commissioner. The future is in our hands; we can’t let it slip through our fingers.

Statement
Let my experience work for you. First-hand knowledge of PUD operations makes me the most qualified to be your voice at the PUD. I pledge responsible use of your dollars to deliver reliable electricity and water at the lowest possible cost. Under my leadership electricity rates did not increase during the recent five years of economic downturn and inflation.

I support modern technologies that benefit customers. You will soon have more control of your electricity use, bill amount and payment options. Automation will improve outage communications with alerts to the PUD the instant you lose power.

I remain committed to Commission transparency, tight rein on budgets, better response time to storm power outages, support for seniors and low-income families, wildlife prevention, and care for natural resources. Clean energy is essential in protecting the environment. Your power today is 97% carbon free.

I look forward to a decision on broadband for underserved communities, neighborhood renewable power plants coupled with energy storage, and a decision on the PUD’s role in the growing shift to electric transportation. I welcome the opportunity to serve you.

Fire District 5
Proposition No. 1

Emergency Medical Services Levy Lid Lift

The Board of Snohomish County Fire Protection District No. 5 adopted Resolution No. 2022-04 concerning an Emergency Medical Services regular property tax levy.

This proposition would authorize the District to restore its Emergency Medical Services regular property tax levy to $0.50 per $1,000 of assessed value in 2022 for collection in 2023 in order to maintain and improve emergency medical services. The dollar amount of the 2022 levy collected in 2023 shall serve as the base for computing subsequent levy limitations as provided by chapter 84.55 RCW.

Should this Proposition be:
Approved
Rejected

Explanatory Statement
If approved by the voters, the District will be authorized to restore its emergency medical services (EMS) property tax levy to $0.50 per thousand dollars of assessed valuation the rate initially approved by the voters in 1998, 2003, and 2010. The Board of Commissioners will establish the actual levy rate.

Approval of this measure will allow the District to maintain and improve the level of emergency medical services currently provided on a continuing basis. The District must use the EMS tax revenue exclusively for emergency medical services. The District will use these funds to implement an Advanced Life Support Program which will reduce the reliance on outside agencies for this level of care and increase the staffing available for EMS emergencies to provide advanced cardiac, trauma and medical treatments not currently available locally. The amount levied by the District in 2022 for collection in 2023 will serve as the base for computing future one percent increases allowed by the law.

If the levy is approved, the maximum tax per $100,000 assessed valuation would not exceed $50.00 each year or approximately $4.17 per month for emergency medical services.

Argument For
Prop. 1 is not a new tax - it will replace the expiring M&O levy and restores the existing EMS levy to the previously approved rate of .50 cents per $1000 of assessed property value. The current total of our 2 existing levy’s is .55 cents per $1,000, which means we would be getting a tax decrease and more services.

An approval of the requested levy would allow for the establishment of 24-hour Advance Life Support (ALS) to the citizens in FD5. We currently have a contract with Snohomish Regional Fire and Rescue to provide ALS coverage which is coming to an end, and a new contract will result in a 5 fold increase in cost to FD5. We also receive support from Fire District 26 ALS when available. It is important to note that not only is the Sultan area growing, so is the Monroe area. SRFR only has 3 ALS units in Monroe and more population means more calls and less available units.

The availability of a 24-hour ALS unit in FD5 would allow for faster response times when minutes count, there have been times when no ALS units were available from surrounding Fire Districts and the closest ALS unit available to respond was from Lake Stevens.

Calls for aid in our FD account for 80% of calls and 47% of those calls require ALS.

As fellow community members, we ask that you join us in supporting our Fire Department and vote YES for the EMS levy.

Fire District 17
Proposition No. 1

Emergency Medical Services Levy Lid Lift

The Board of Snohomish County Fire Protection District No. 17 adopted Resolution No. 2022-03 concerning an Emergency Medical Services regular property tax levy.

This proposition would authorize the District to restore its Emergency Medical Services regular property tax levy to $0.50 per $1,000 of assessed value in 2022 for collection in 2023 in order to maintain and improve emergency medical services. The dollar amount of the 2022 levy collected in 2023 shall serve as the base for computing subsequent levy limitations as provided by chapter 84.55 RCW.

Should this Proposition be:
Approved
Rejected

Explanatory Statement
If approved by the voters, the District will be authorized to restore its emergency medical services (EMS) property tax levy to $0.50 per thousand dollars of assessed valuation the rate previously approved by the voters in 2017. The Board of Commissioners will establish the actual levy rate.

Approval of this measure will allow the District to maintain and improve the level of emergency medical services currently provided on a continuing basis. The District must use the EMS tax revenue exclusively for emergency medical services. The amount levied by the District in 2022 for collection in 2023 will serve as the base for computing future one percent increases allowed by the law.

If the levy is approved, the maximum tax per $100,000 assessed valuation would not exceed $50.00 each year or approximately $4.17 per month for emergency medical services.

Argument For
In 2015, the district voters approved an EMS levy rate of $.50 per $1,000 of assessed valuation. However, a 2001 initiative limits Fire Department taxation levels to an annual increase of 1% regardless of the increase in property values. This law ensures transparency by requiring the taxing authority to ask for community support for any additional revenue increases. As the EMS levy rate does not increase in step with property values, the actual EMS levy is now only $.37 per $1,000.

Operating costs for emergency services continue to rise at a rate greater than what the Fire District brings in through the levy. Utility costs, upkeep, and other daily operating expenses have all outpaced the 1% increase allowed by state law. Call volumes have increased 43% since 2013 and 13% since 2020. Nevertheless, the District has consistently maintained high service levels through fiscal responsibility. The District is constantly looking at ways to enhance services and keep the costs minimal. As such, the Fire District cut costs by recently implementing its Advanced Life Support (ALS) Paramedic service after relying on a more expensive contract for services.

The Fire District is asking voters to restore the EMS levy rate to the previously approved $ .50 per $1,000 of assessed valuation through a 13-cent “lid lift,” which would cost less than $ 5.00 per month for a home valued at $450,000. We ask that you join us in supporting our Fire Department and vote YES to restore the EMS levy to its previously approved amount.

Fire District 21
Proposition No. 1

Restoring Regular Property Tax Levy

The Board of Fire Commissioners of Snohomish County Fire Protection District No. 21 (the “District”), adopted Resolution No. 2022-04 authorizing a regular property tax levy. This proposition would authorize the District to impose a regular property tax levy at $1.30 per $1,000 of assessed valuation for 2022 (the same level as in 2019) and thereafter subject to any otherwise applicable statutory dollar rate limitations. The dollar amount of this levy would be used for the purpose of computing the limitations for subsequent levies under RCW 84.55.050.

Should this proposal be approved?

Yes
No

Explanatory Statement

This measure restores the levy for Fire District 21 at the level previously approved by voters in 2019. This levy is the primary source of funding for emergency services provided by Fire District 21. State limitations on funding increases do not allow the Fire District to keep up with increasing labor and operational costs. Passage of Proposition No. 1 will allow the Fire District to restore its levy rate to $1.30 per $1,000 of assessed valuation as otherwise authorized by law. Voter approval of Proposition No. 1 will provide funding for the District to maintain its existing level of service for fire and emergency medical services.

Argument For

Vote Yes to Restore Our Fire Levy!

Knowing that there is an adequate emergency response can add a layer of comfort in uncertain times.

We’re all likely doing a little belt-tightening right now, and the fire district has done the same with its request from the community. The fire district is asking us to approve a lid lift to restore the fire levy to the same rate we approved in 2019. There is no inflationary clause and voters would also have to approve any future increase (over the 1% that is allowed by law).

The levy rate has dropped sixteen percent since 2019. Yet in the same time period calls have gone up and costs have increased. The fire district has already reduced positions and had to lower its staffing levels with less firefighters.

Passing this levy is critical to ensure that the fire district can return to a safe staffing level with enough firefighters able to respond when we need to call on them.

I’m voting yes because having an adequate emergency response is a priority for my family. For me, it means cutting two lattes and a tip once a month. Having enough trained, equipped firefighters is well worth it. I hope you’ll vote Yes too.

Fire District 26
Proposition No. 1

Emergency Medical Services Levy Lid Lift

The Board of Snohomish County Fire Protection District No. 26 (Sky Valley Fire) adopted Resolution No. 2022-01 concerning an Emergency Medical Services regular property tax levy.

This proposition would authorize the District to restore its Emergency Medical Services regular property tax levy to $0.50 per $1,000 of assessed value in 2022 for collection in 2023 in order to maintain and improve emergency medical services. The dollar amount of the 2022 levy collected in 2023 shall serve as the base for computing subsequent levy limitations as provided by chapter 84.55 RCW.

Should this Proposition be:

Approved
Rejected

Explanatory Statement

If approved by the voters, Sky Valley Fire will be authorized to restore its emergency medical services (EMS) property tax levy to $0.50 per thousand dollars of assessed valuation the rate previously approved by the voters in 2018. The Board of Commissioners will establish the actual levy rate.

Approval of this measure will allow the District to maintain and improve the level of emergency medical services currently provided on a continuing basis. The District must use the EMS tax revenue exclusively for emergency medical services. The amount levied by the District in 2022 for collection in 2023 will serve as the base for computing future one percent increases allowed by the law.

If the levy is approved, the maximum tax per $100,000 assessed valuation would not exceed $50.00 each year or approximately $4.17 per month for emergency medical services.

Argument For

We the residents of Fire District 26 benefit greatly from our dedicated and well-trained Emergency Medical Provider team. Maintaining this level of service requires commitment by the community as well as by our EMS providers.

Our local population continues to grow, increasing the number of emergency calls. In partnership with the Fire District, residents do their part by voting to approve funds. This levy will pay for equipment, vehicles and training that are needed.

We urge you to vote YES on August 2 for our local ballot measure.
