Snohomish County Solid Waste Southwest Recycle and Transfer Station Temporarily Closed, Will Reopen Sunday, August 14 and Longer Wait Times Likely

Southwest Recycle and Transfer Station Experiencing Operational and Maintenance Issues Due to an On-Site Fire

EVERETT, Wash., August 13, 2022 – The Snohomish County Solid Waste Southwest Recycle and Transfer Station (SWRTS) was closed on Saturday, August 13 due to an on-site fire which has since been addressed. The SWRTS will reopen on Sunday, August 14, however there is likely to be a slowdown in service and longer wait times.

Anyone intending to visit the SWRTS should check this website to review wait times before leaving:

<https://snohomishcountywa.gov/465/Facility-Locations> or consider using other County transfer stations. All other facilities are open.

About Snohomish County Public Works

The Snohomish County Public Works is responsible for approximately 1,600 miles of county roads, more than 200 bridges and manages about 200 traffic control signals. The department also processes nearly 600,000 tons of garbage per year. Its mission is to focus on safety and mobility while practicing fiscal responsibility and preserving the environment. Public Works has won numerous state and national honors for its work and is the largest department within Snohomish County government with approximately 500 employees plus seasonal staff. Its main office is located at 3000 Rockefeller Ave, Everett, WA 98201.

Visit www.snohomishcountywa.gov/PublicWorks or follow the department on [Facebook](#) and [Twitter](#) for more information about Snohomish County Public Works.
