**Everett, Snohomish County** - Due to high fire danger and existing wildland fires within our region, the outdoor burn ban issued on 9/13/2022 remains in effect for all of unincorporated areas of and all cities within Snohomish County. This upgraded burn ban will remain in effect until further notice.

**This restriction bans all outdoor burning, including recreational fires.** Incorporated cities and towns included in this outdoor burning ban are **Arlington, Brier, Darrington, Edmonds, Everett, Granite Falls, Gold Bar, Index, Lake Stevens, Lynnwood, Marysville, Mill Creek, Mountlake Terrace, Monroe, Mukilteo, Snohomish, Stanwood and Sultan.**

For the duration of this burn ban, all outdoor burn permits, including permits issued by PSCAA (Puget Sound Clean Air Agency) for agricultural burning, are suspended until this ban is lifted. This ban will remain in effect until there is a sustained period of rainfall and the fire risk returns to low.
