Questions and Answers

1. Is this new funding?

We have increased the funds available to allow for multiple contracts to be awarded throughout the county. With new contracts beginning in January 2023.

Agencies who are interested in the Building Inclusive Communities are encouraged to apply.

2. What is this for?

The proposal process is open to any organization who wants to expand current efforts to promote inclusion, increase opportunities for individuals to contribute to their community, and develop support for community members with developmental disabilities.

The overall intent is to delve deeper into current efforts being implemented by agencies and support their ability to build inclusive communities that will support individuals with developmental disabilities with access to services and the ability to fully participate in their community

Contract awards are conditioned upon successful negotiation of Agreement terms and conditions and execution of the Snohomish County Basic Terms & Conditions and Business Associate Agreement.
