## **Snohomish County Seeks Input on its Climate Change Vulnerability and Risk Assessment**

*Snohomish County is developing a Climate Change Vulnerability and Risk Assessment to understand and address the impacts of climate change.*

**SNOHOMISH COUNTY, Wash., March 9, 2023** – Snohomish County is seeking public input on a Climate Change Vulnerability and Risk Assessment being conducted to understand and address the impacts of climate change on our communities, environment, and economy. Both meetings will have live Korean and Spanish interpreters available. This work is funded by a grant from the Washington state Department of Commerce.

- What: Climate Change Vulnerability and Risk Assessment Meetings
- When: March 13 and March 29, 2023, 6-7 p.m.
- Where:
  - Zoom (March 13): <https://us02web.zoom.us/j/81909327238>
  - Zoom (March 29): <https://us02web.zoom.us/j/81763240539>

The information we gather will inform the 2024 Comprehensive Plan Update, be shared across county departments to inform other projects, and be available to the public. Learn more about the Climate Change Vulnerability and Risk Assessment on this [informational fact sheet](#).
