Get Ready for “Little Moments, Big Memories” at the 2023 Evergreen State Fair!

Making memories for 114 years. Advance tickets are on sale now!

MONROE, Wash., June 1, 2023 – Gear up for another incredible Evergreen State Fair in Monroe, WA! The fair runs August 24-29 and August 31-September 4, 2023 (closed Wednesday, August 30).

“The Evergreen State Fair is one of the most important events in Snohomish County each year. It’s an opportunity for our community to come together and build lasting relationships,” said Snohomish County Executive Dave Somers. “The Fair is also a massive boon for our economy and creates an opportunity to support agriculture, small farmers, small businesses, local artists, youth, and our broader tourism goals. I encourage communities across our region to join us at the fair and make memories that will last a lifetime.”

Evergreen State Fair Theme: “Little Moments, Big Memories”

Do you remember your first fair? How about your first concert or rodeo? The crowds clapping and cheering, and all the excitement in the air. Or that first glimpse of a cow in the dairy barn. Or maybe it's a special moment you shared with someone atop the Ferris wheel or over a heaping order of curly fries. All these little moments can bring back the sounds, smells, and feelings of happiness like it was yesterday.

The Evergreen State Fair is proud to have been a part of making memories for 114 years. We have brought entertainment, education, and community together while giving space for guests to experience these little moments that turn into big memories. These memories and experiences often get passed down from generation to generation and become something that the Evergreen State Fair is well known for—tradition. We can’t wait for you to join us with your loved ones to make new memories this year.

“We are so excited to join with our community in celebrating another great fair,” said Snohomish County Parks Director Sharon Swan. “These 11 magical days bring together over 300,000 people each year and we hope you will join us in creating little moments that will make big memories.”
