

# COOPERATIVE WATERSHED MANAGEMENT GRANT – WRIA 7 (SNOQUALMIE & S. FORK SKYKOMISH)

## KEY INFO:

1. Annual (typically ~\$2M total available)
2. Salmon focused
3. Snoqualmie & Skykomish watersheds
4. Restoration, Monitoring, & Education & Outreach
5. 3-year contracts
6. King County Flood Control District funds

- Feasibility Study
- Project Design
- Project Construction
- Property Acquisition
- Monitoring and Assessment

### ➤ Programmatic work:

- Monitoring
- Maintenance
- Education
- Outreach
- Planning

# Snoqualmie / South Fork Skykomish Watersheds

## Cooperative Watershed Management (CWM) WRIA 7 Ranked List

### BASIN-WIDE

#### EDUCATION & OUTREACH

- 1 Salmon in Schools 2023-2024
- 1 Youth Engaged in Sustainable Systems (YESS) in Riverview School District
- 2 Community Action Training School (CATS) 2024

#### MONITORING & ASSESSMENT

- 0 2024 Snoqualmie River Juvenile Salmon Outmigration Monitoring\*
- 1 Designing habitat restoration projects to increase juvenile Chinook growth and food resources
- 2 KC Fish Passage Barrier Supplementation (Phase II)\*
- 3 Cherry Creek and Raging River NetMap Model\*

#### RESTORATION AND PROTECTION

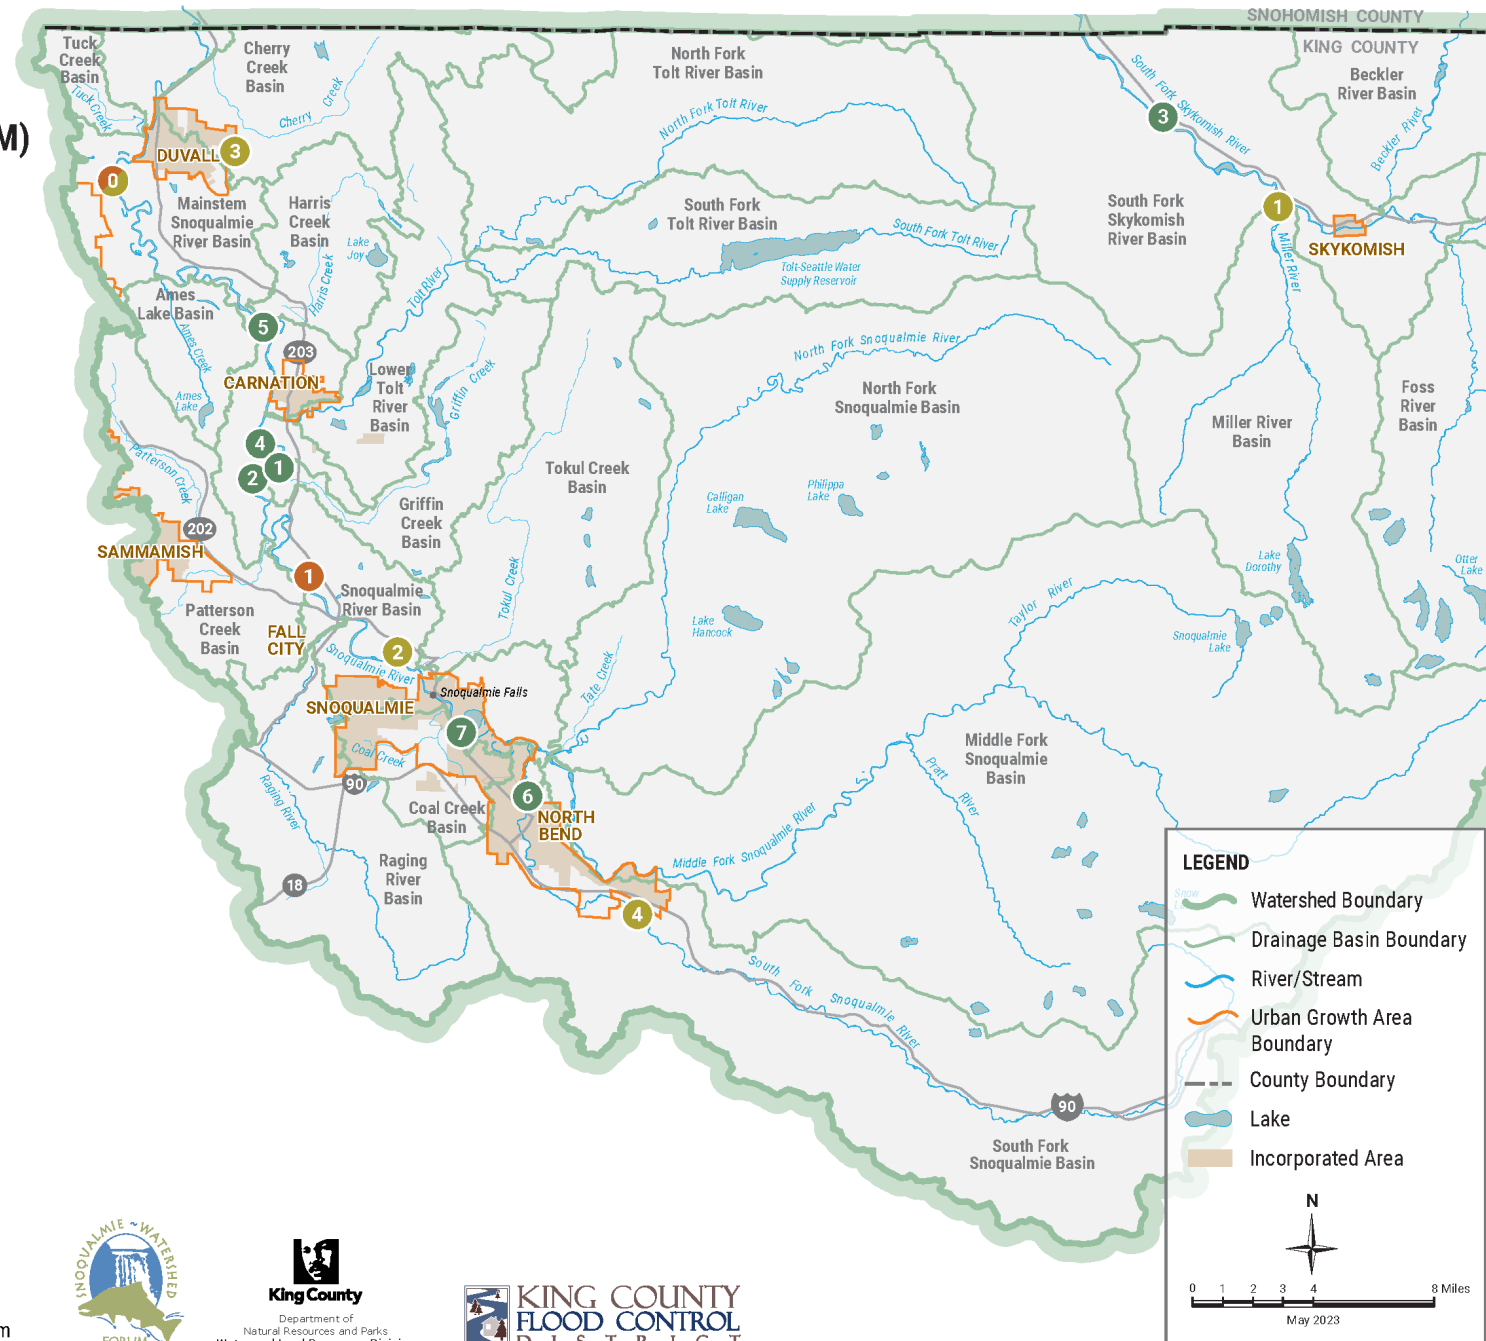

- 0 2024 Snoqualmie Restoration and Project Assistance Program\*
- 1 Lower Miller River Floodplain Restoration Design
- 2 Fish Hatchery Road Alternatives Analysis
- 3 Duvall Meadows / NE 147th PL (Unnamed Tributary to Cherry Creek) Culvert Replacement
- 4 South Fork Snoqualmie River Conservation Acquisition

#### RESTORATION-RIPARIAN

- 1 McKittrick Riparian Restoration
- 2 Griffin Creek Farm West End Riparian Restoration
- 3 South Fork Skykomish Revegetation Project
- 4 Carnation Marsh Riparian Restoration Phase II
- 5 Chinook Bend Riparian Restoration Phase II
- 6 Tollgate Forest Restoration Maintenance and Planting
- 7 Meadowbrook Slough Phase 6 and Riparian Maintenance

\*Projects with multiple sites

\*Projects ranked 0 are pre-approved by Snoqualmie Watershed Forum
