

Goal, Objective, or Policy	Finding
<p><u>GOAL TC 1 Recognize and support tribal cultures.</u></p>	<p>New proposed overarching goal to incorporate the recognition of tribal culture into current and long-range planning, training for staff, and official county tourism materials.</p> <ul style="list-style-type: none"> • MPP-RC-1 Coordinate planning efforts among jurisdictions, agencies, federally recognized tribes, ports, and adjacent regions, where there are common borders or related regional issues, to facilitate a common vision. • MPP-RC-4 Coordinate with tribes in regional and local planning, recognizing the mutual benefits and potential for impacts between growth occurring within and outside tribal boundaries. • CPP JP-7 Snohomish County Tomorrow, the County, and cities should coordinate countywide and local planning efforts with tribes, recognizing the shared benefits and impacts of growth occurring within and outside Tribal Reservation lands.
<p><u>Objective TC 1.A Promote education programs that emphasize tribal history, culture, and government.</u></p>	<p>New proposed objective to implement CPP and MPP guidance on promoting coordination for mutual benefit, and to emphasize the importance of understanding tribal cultural and governmental practices.</p> <ul style="list-style-type: none"> • Proposed objective is consistent with MPP-RC-4 • MPP-DP-6 Preserve significant regional historic, visual, and cultural resources, including public views, landmarks, archaeological sites, historic and cultural landscapes, and areas of special character.
<p><u>TC Policy 1.A.1 The County shall include tribal cultural centers, events, and activities open to the public in county tourism and cultural activities informational and advertising materials for Snohomish County.</u></p>	<p>New proposed policy to better integrate tribal cultural centers into Snohomish County’s existing tourism programs and information materials.</p> <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-RC-4 • Proposed policy is consistent with MPP-DP-6
<p><u>TC Policy 1.A.2 The County shall include educational materials on local tribes in employee training materials.</u></p>	<p>New policy would incorporate information about local tribes in County employee training materials to build a better understanding amongst staff of cultural and historical information.</p> <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-RC-1

Goal, Objective, or Policy	Finding
<p><u>TC Policy 1.A.3 The County should recognize Native American Heritage Month, Indigenous Peoples’ Day, and Native American Heritage Day in County-sponsored events and explore opportunities to provide educational resources regarding tribes to the public.</u></p>	<p>New policy would better incorporate Indigenous Peoples’ Day, Native American Heritage Day, and Native American Heritage Month into the schedule of County-sponsored events to emphasize the importance of tribal culture to understanding our regional context and building towards a shared vision.</p> <ul style="list-style-type: none"> Proposed policy is consistent with MPP-RC-1
<p><u>Objective TC 1.B Partner with tribal governments to identify, preserve, and protect local cultural resources of importance to tribes.</u></p>	<p>New objective based in Growth Management Act (GMA) historic preservation goals, MPP, and CPP guidance to emphasize the importance of coordinating with tribes on ensuring that cultural resources are protected.</p> <ul style="list-style-type: none"> Proposed policy is consistent with MPP-RC-1 Proposed policy is consistent with MPP-DP-6 CPP DP-37 The County and cities are encouraged to protect and preserve historical, cultural, and archaeological resources in a manner consistent with state law and local policies and in collaboration with state agencies and tribes. The County and cities should consider the potential impacts of development to culturally significant sites and tribal treaty fishing, hunting, and gathering grounds and should work with tribes to protect Tribal Reservation lands from encroachment by incompatible land uses and development both within reservation boundaries and on adjacent land.
<p><u>TC Policy 1.B.1 The County should coordinate with tribal governments to identify opportunities to protect, preserve, and interpret natural resources of cultural importance through restoration projects, conservation easements or land purchases, public education, and regulation.</u></p>	<p>New policy would support ongoing dialogue, coordination, and collaboration on projects and other measures to ensure that cultural resources are protected in perpetuity.</p> <ul style="list-style-type: none"> Proposed policy is consistent with MPP-RC-1 Proposed policy is consistent with MPP-DP-6 Proposed policy is consistent with CPP DP-37
<p><u>TC Policy 1.B.2 Where the County has authority over naming, work in partnership with tribal governments to rename places and spaces of cultural significance to tribes.</u></p>	<p>New policy to address naming places and spaces for Euro-American colonizers which perpetuates cultural erasure and harms efforts to rebuild cultural linguistic practices and commemorate original place names.</p> <p>Proposed policy is consistent with MPP-DP-6</p>

Goal, Objective, or Policy	Finding
<p><u>GOAL TC 2 Collaborate with tribes to avoid or minimize adverse impacts to tribal archaeological and cultural resources.</u></p>	<p>New goal to emphasize the need for coordination to protect archaeological resources.</p> <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-RC-1 • Proposed policy is consistent with MPP-DP-6 • Proposed policy is consistent with CPP DP-37
<p><u>Objective TC 2.A Avoid or minimize adverse impacts to tribal archaeological and cultural resources in Snohomish County operational activities and through development regulations.</u></p>	<p>Objective focused on training Snohomish County staff and analyzing development regulation through a lens of issues of archaeological sensitivity.</p> <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-RC-1 • Proposed policy is consistent with MPP-DP-6 • Proposed policy is consistent with CPP DP-37
<p><u>TC Policy 2.A.1 The County should provide training to appropriate Snohomish County staff regarding legal requirements related to the protection of tribal, cultural, sacred, archaeological, and burial areas.</u></p>	<p>New policy focused on training staffing groups to help ensure that they are equipped with skills necessary to understand the importance of protecting tribal cultural resources in ways relevant to their operations.</p> <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-RC-1 • Proposed policy is consistent with CPP DP-37
<p><u>TC Policy 2.A.2 The County shall develop protocols and procedures in coordination with tribes designed to identify, and avoid or minimize impacts to, tribal archaeological and cultural resources in sensitive areas during the performance of land disturbing activities either by the County or authorized by the County. Such protocols and procedures could include opportunities for tribal monitoring of land disturbing activities that may affect archaeological resources in accordance with chapters 27.53, 27.44, and 68.60 RCW.</u></p>	<p>New policy to establish a framework for building collaborative programs in coordination with tribes to ensure that cultural resources are and will continue to be protected in support of Snohomish County Code (SCC) 30.32D.</p> <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-RC-1 • Proposed policy is consistent with MPP-DP-6 • Proposed policy is consistent with CPP DP-37
<p><u>Objective TC 2.B Acknowledge the significance of shorelines to tribal cultural practices and treaty resources.</u></p>	<p>New objective to highlight the importance of working with tribes on shoreline-related issues as they can be highly impactful on treaty rights.</p> <ul style="list-style-type: none"> • MPP-DP-7 Consider the potential impacts of development to culturally significant sites and tribal treaty fishing, hunting, and gathering grounds. • Proposed policy is consistent with CPP DP-37

Goal, Objective, or Policy	Finding
<p><u>TC Policy 2.B.1 In coordination with tribes, the County should examine development regulations and implement changes to avoid or minimize impacts to the ecological functions and values of fish and wildlife conservation areas, including marine waters.</u></p>	<p>New policy to emphasize consideration of ecological function into the analysis of amendments to development regulations.</p> <ul style="list-style-type: none"> • Proposed policy is consistent with CPP DP-37 • Proposed policy is consistent with MPP-DP-7
<p><u>TC Policy 2.B.2 The County shall coordinate with tribal governments to identify impacts to treaty resources in shoreline environments through examination of operations and development regulations.</u></p>	<p>New policy to further highlight the consideration of treaty rights in review of operations and development regulations.</p> <ul style="list-style-type: none"> • Proposed policy is consistent with CPP DP-37 • Proposed policy is consistent with MPP-DP-7
<p><u>Objective TC 2.C Recognize that water is integral to tribal culture.</u></p>	<p>New objective to emphasize the importance of water.</p> <ul style="list-style-type: none"> • Proposed policy is consistent with CPP DP-37 • Proposed policy is consistent with MPP-DP-7 • MPP-PS-23 Promote coordination among local and tribal governments and water providers and suppliers to meet long-term water needs in the region in a manner that supports the region’s growth strategy • CPP PS-8 The County and cities shall work collaboratively, in coordination with tribal governments, for the planning of water and wastewater utilities to meet the area’s long-term needs and support the regional growth strategy.
<p><u>TC Policy 2.C.1 The County shall coordinate with tribal governments to identify and implement methods of protecting groundwater, surface water, and aquifer recharge areas that support tribal reservations.</u></p>	<p>New policy to build coordination on matters of ground and surface water protection, both of which are key to the protection of treaty rights.</p> <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-DP-7 • Proposed policy is consistent with MPP-PS-23 • Proposed policy is consistent with CPP-PS-8
<p><u>GOAL TC 3 Conduct regular and meaningful consultation with tribal officials on coordinated planning efforts that may affect tribal interests.</u></p>	<p>New goal to emphasize the importance of regular and meaningful consultation to ensure that a shared vision for the future is being developed and built. Proposed policy is consistent with MPP-RC-1</p>

Goal, Objective, or Policy	Finding
<p><u>Objective TC 3.A Establish a process for regular and meaningful consultation and collaboration with tribal officials in the development of regulations, proposed legislation, and other policy statements or actions that have tribal implications.</u></p>	<p>New objective to establish a programmatic approach for consulting with tribal officials in a way that collaboratively works toward a shared vision of the future.</p> <ul style="list-style-type: none"> Proposed policy is consistent with MPP-RC-1
<p><u>TC Policy 3.A.1 The County shall consider whether tribal interests may be affected when developing legislation.</u></p>	<p>New policy to further cement the importance of considering tribal interests in the development of legislation and policies.</p> <ul style="list-style-type: none"> Proposed policy is consistent with MPP-RC-1
<p><u>TC Policy 3.A.2 When tribal interests may be affected by legislation, the County should consult early with tribes to identify issues and concerns.</u></p>	<p>New policy to establish practices for communicating issues to Tribes that may have impacts on Tribal interests.</p> <ul style="list-style-type: none"> Proposed policy is consistent with MPP-RC-1 Proposed policy is consistent with MPP-DP-7 Proposed policy is consistent with MPP-PS-23 Proposed policy is consistent with CPP-PS-8
<p><u>Objective TC 3.B Recognize that effective consultation with tribal governments requires engagement beyond general public comment processes for County actions affecting tribal interests or lands within the exterior boundaries of reservations.</u></p>	<p>New objective to recognize the fact that meaningful coordination includes regular communication outside of public comment to ensure that the County is working in a manner that builds a shared vision for the future.</p> <ul style="list-style-type: none"> Proposed policy is consistent with MPP-RC-1
<p><u>TC Policy 3.B.1 The County shall continue to work with tribal governments to develop effective and meaningful channels of communication to meet the needs of each tribe.</u></p>	<p>New policy to continue the process of building communication channels that are effective and meaningful for coordinating on issues of shared concern.</p> <ul style="list-style-type: none"> Proposed policy is consistent with MPP-RC-1
<p><u>TC Policy 3.B.2 The County shall make its best effort to address tribal comments and concerns in land use permitting decisions consistent with local, state, and federal requirements.</u></p>	<p>New policy to establish that the County is working to identify, consider, and address tribal concerns throughout the permitting process.</p> <ul style="list-style-type: none"> Proposed policy is consistent with MPP-RC-1 Proposed policy is consistent with MPP-DP-7 Proposed policy is consistent with MPP-PS-23 Proposed policy is consistent with CPP-PS-8 MPP-DP-51 Protect tribal reservation lands from encroachment by incompatible land uses and development both within reservation boundaries and on adjacent land.

Goal, Objective, or Policy	Finding
<u>TC Policy 3.B.3 The County shall make its best effort to provide accurate and complete information when responding to tribes’ requests for information.</u>	New policy to highlight the County’s continued efforts to respond to requests for information in a way that is meaningful, accurate, and timely. <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-RC-1
<u>GOAL TC 4 Coordinate with tribes to establish a framework for cooperative discussion and consultation on issues of mutual concern.</u>	New goal to build a more general framework of inter-governmental coordination on shared issues, in conjunction with Tulalip and Stillaguamish-specific sections, which detail regular meetings with each tribe. <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-RC-1 • Proposed policy is consistent with MPP-DP-7 • Proposed policy is consistent with MPP-PS-23 • Proposed policy is consistent with CPP-PS-8
<u>Objective TC 4.A Consider issues of mutual concern in actions and decisions that may have implications to tribes.</u>	New objective to highlight the importance of consideration of tribal interests in County planning efforts. <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-RC-1
<u>TC Policy 4.A.1 The County shall promote timely and effective resolution of issues of mutual concern.</u>	New policy to build collaboration on resolving issues of shared concern in a timely manner. <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-RC-1 • Proposed policy is consistent with MPP-DP-7 • Proposed policy is consistent with MPP-PS-23 • Proposed policy is consistent with CPP-PS-8
<u>TC Policy 4.A.2 The County shall work with tribal governments to establish liaisons as a single point of contact on issues of mutual concern.</u>	New proposed policy to build a program that allows the County and tribes to establish single points of contact to enable streamlined communication outside of broader collaborative efforts and general communication. <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-RC-1
<u>TC Policy 4.A.3 The County’s tribal liaison and the tribes should identify when lands within the exterior boundaries of reservations may be implicated in parallel planning processes by both jurisdictions and shall enter into good faith negotiations to develop a mutually agreeable resolution to such conflicts.</u>	New policy describing the process for entering into negotiations about handling jurisdictional conflicts. <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-RC-1
<u>Goal TC 5 Build resiliency to the effects of climate change in a way that employs innovative, coordinated efforts and recognizes the importance of protecting tribal sovereign and treaty</u>	New policy goal recognizing that tribal treaty rights may be affected by climate change and are especially susceptible to the impacts of climate change. Proposed policy is consistent with CPP DP-37

Goal, Objective, or Policy	Finding
<p><u>rights and cultural practices from extreme weather, increasing temperature, and rising sea levels.</u></p>	<ul style="list-style-type: none"> • Proposed policy is consistent with MPP-DP-7 • Proposed policy is consistent with MPP-DP-51 • Proposed policy is consistent with CPP DP-37 • Proposed policy is consistent with MPP-DP-7 <p>Proposed policy is consistent with MPP-DP-51</p>
<p><u>Objective TC 5.A Coordinate with tribal governments in the development and implementation of programs that build resiliency to the impacts of climate change and protect cultural resources from the impacts of climate change.</u></p>	<p>New policy to recognize that coordination is needed to specifically address the efforts required to build resiliency to the negative impacts of climate change.</p> <ul style="list-style-type: none"> • Proposed policy is consistent with CPP DP-37 • Proposed policy is consistent with MPP-DP-7 • Proposed policy is consistent with MPP-DP-51
<p><u>TC Policy 5.A.1 The County should coordinate with tribal governments to identify and implement strategies that build resiliency to the impacts of extreme weather and other natural hazards worsened by climate change for cultural sites and practices and culturally important traditional foods and natural resources.</u></p>	<p>New policy to emphasize the need to ensure that cultural sites and resources are resilient to extreme weather and remain accessible for future generations.</p> <ul style="list-style-type: none"> • Proposed policy is consistent with CPP DP-37 • Proposed policy is consistent with MPP-DP-7 • Proposed policy is consistent with MPP-DP-51
<p><u>TC Policy 5.A.2 The County should collaborate with tribes on the development and implementation of programs that protect, enhance, and restore ecosystems to support tribal sovereign and treaty rights and conserve culturally significant consumptive and non-consumptive resources including first foods, medicinal plants, and materials that could be adversely impacted by climate change.</u></p>	<p>New policy to recognize that tribal treaty rights are threatened by climate change.</p> <ul style="list-style-type: none"> • Proposed policy is consistent with MPP-DP-7 • Proposed policy is consistent with MPP-PS-23 • Proposed policy is consistent with CPP ENV-4 and CPP ENV-5 • MPP-DP-9 Support urban design, historic preservation, and arts to enhance quality of life, support local culture, improve the natural and human-made environments, promote health and well-being, contribute to a prosperous economy, and increase the region’s resiliency in adapting to changes or adverse events.
<p>Stillaguamish Tribe Section</p>	
<p><u>GOAL TC 6 Continue to develop and implement cooperative land use planning with the Stillaguamish Tribe of Indians.</u></p>	<p>New policy specific to the Stillaguamish Tribe to recognize ongoing cooperation around land use planning.</p>

Goal, Objective, or Policy	Finding
	<ul style="list-style-type: none"> • CPP JP-7 Snohomish County Tomorrow, the County, and cities should coordinate countywide and local planning efforts with tribes, recognizing the shared benefits and impacts of growth occurring within and outside Tribal Reservation lands.
<p><u>Objective TC 6.A Seek innovative approaches with the Stillaguamish Tribe to address jurisdictional conflicts in a way that provide community benefits, including exploring future cooperative agreements.</u></p>	<p>New objective to highlight cooperation between the County and Stillaguamish Tribe on jurisdictional issues and seek alternative solutions to address the issues creating the conflict.</p>
<p><u>TC Policy 6.A.1 The County shall maintain an ongoing collaborative workgroup with the Stillaguamish Tribe to promote effective communication and meaningful involvement in land use issues.</u></p>	<p>New policy regarding ongoing collaboration.</p>
<p><u>Objective TC 6.B Establish a process for Snohomish County and the Stillaguamish Tribe to share information, data, and resources to facilitate coordinated land use planning on the Stillaguamish Indian Reservation.</u></p>	<p>New objective to establish a process for data and information sharing between County departments and the Stillaguamish Tribe.</p>
<p><u>TC Policy 6.B.1 The County shall work cooperatively with the Stillaguamish Tribe in exchanging GIS, land use, and code enforcement data to collaborate on issues of shared concern.</u></p>	<p>New policy specific to GIS data sharing for use in land use planning and code enforcement.</p>
<p>Tulalip Tribes Section</p>	
<p><u>GOAL TC 7 Continue to develop and implement cooperative land use planning with the Tulalip Tribes for lands within the exterior boundaries of the Tulalip Indian Reservation.</u></p>	<p>New goal is added specific to cooperation with the Tulalip Tribes on land use planning.</p> <ul style="list-style-type: none"> • Goal is consistent with 2013 Memorandum of Understanding Between the Tulalip Tribes and Snohomish County Establishing Process for Coordinated Long-Range Planning & Information Sharing, signed on 5/30/2013. • Proposed goal is consistent with CPP JP-7
<p><u>Objective TC 7.A Seek innovative approaches with the Tulalip Tribes to address jurisdictional conflicts in a way that provide community benefits, including exploring future cooperative agreements.</u></p>	<p>New objective build cooperation between the County and Tulalip Tribes on jurisdictional issues and seek alternative solutions to addressing issues of jurisdiction. New objective to recognize historic conflicts between the County and Tulalip Tribes and seek alternative solutions to address the issues creating the conflict.</p>

Goal, Objective, or Policy	Finding
<u>TC Policy 7.A.1 The County shall maintain an ongoing collaborative workgroup with the Tulalip Tribes to promote effective communication and meaningful involvement in land use issues.</u>	New policy regarding ongoing collaboration. Consistent with MOU.
<u>Objective TC 7.B The County shall work with the Tulalip Tribes to collaboratively address differences to achieve greater compatibility between the Snohomish County Comprehensive Plan and the Tulalip Comprehensive Land Use Plan within the requirements of federal, state, and local laws.</u>	New objective regarding the difference between Snohomish County’s comprehensive plan and the Tulalip Tribes’ plan. Consistent with MOU.
<u>TC Policy 7.B.1 The County shall seek opportunities through future comprehensive plan updates to align the Snohomish County Comprehensive Plan and Tulalip Comprehensive Land Use Plan.</u>	New policy regarding the difference between Snohomish County’s comprehensive plan the Tulalip Tribes plan. Consistent with MOU.
<u>Objective TC 7.C Establish a process for Snohomish County and the Tulalip Tribes to share information, data, and resources to facilitate coordinated land use planning on the Tulalip Indian Reservation.</u>	New objective to recognize current practice. Consistent with MOU.
<u>TC Policy 7.C.1 The County shall coordinate with the Tulalip Tribes on population growth forecasts within the exterior boundaries of the Tulalip Indian Reservation.</u>	New policy to provide for coordination between the county and the Tulalip Tribes on growth forecasts within areas of the Tulalip Indian Reservation. Consistent with MOU.
<u>TC Policy 7.C.2 The County shall work cooperatively with the Tulalip Tribes in exchanging geographic information systems (GIS), land use, and code enforcement data for lands within the exterior boundaries of the Tulalip Indian Reservation.</u>	New objective to recognize current practice. Consistent with MOU.
<u>Objective TC 7.D Explore coordinated land use permitting and code enforcement with the Tulalip Tribes on fee lands on the Tulalip Indian Reservation owned by non-Tulalip Tribes members.</u>	New policy to enhance collaboration in the permitting process and increase communication in code enforcement in a manner consistent with the memorandum of understanding. Proposed policy consistent with MOU.
<u>TC Policy 7.D.1 The County shall work with the Tulalip Tribes to develop ongoing administrative processes to jointly discuss and comment on permit applications submitted to the County that have tribal implications, including development activities on the Tulalip Indian Reservation.</u>	New policy to continue working towards ensuring that overlapping comprehensive planning efforts reflect the unique purposes and status of the Tulalip Reservation. Consistent with MOU.
Sauk-Suiattle Tribe Section	
<u>Goal TC 8 Continue to develop and implement cooperative land use planning with the Sauk-Suiattle Indian Tribe.</u>	New goal is added specific to cooperation with the Sauk-Suiattle Tribe on land use planning. <ul style="list-style-type: none"> Proposed goal is consistent with CPP JP-7

Goal, Objective, or Policy	Finding
<u>Objective TC 8.A Explore future cooperative agreements and seek innovative approaches with the Sauk-Suiattle Tribe to mitigating jurisdictional conflict in a way that provides community benefits</u>	New objective to highlight cooperation between the County and Sauk-Suiattle Tribe on jurisdictional issues and seek alternative solutions to address the issues creating the conflict.
<u>TC Policy 8.A.1 Maintain an ongoing collaborative workgroup made up of Sauk-Suiattle Indian Tribe and County representatives to promote effective communication and meaningful involvement in land use issues.</u>	New policy regarding ongoing collaboration.
