

BACKGROUND CHECK DISCLOSURE

Pursuant to the federal Fair Credit Reporting Act (“FCRA”) and its applicable state counterparts, SNOHOMISH COUNTY (the “Company”) may obtain consumer reports or investigative consumer reports on you for employment purposes in connection with your employment, potential employment, contract for services, volunteer position or other employment-related purpose. The Company may procure consumer reports on you both in connection with your application, and, if applicable, at any time during the course of your employment, contract for services or volunteer position with the Company. Consumer reports are written, oral or other communications that bear on your creditworthiness, credit standing, credit capacity, character, general reputation, personal characteristics or mode of living that are used (or expected to be used) as a factor in establishing eligibility for employment purposes. “Investigative consumer reports”* are consumer reports (or portions of consumer reports) in which information is obtained through personal interviews with your neighbors, friends, associates or acquaintances, and are commonly obtained in connection with education or employment reference checks. *In California, an “investigative consumer report” means any consumer report that is not a credit report.

Consumer reports may include items such as employment verifications, education verifications, credit history, driving records, criminal history, motor vehicle records, licensures, certifications, social security number verification, drug testing results or other information obtained through background check services. The information may be obtained from private and public record sources, including personal interviews with your neighbors, friends, associates or acquaintances.
