Family and Interagency Coordinating Council

A partnership between parents, families, schools and providers of children ages birth to six with or at risk of delay or disability.

What is the Family ICC?

Family and Interagency Coordinating Council

The Family ICC facilitates interactive meetings that bring families and early childhood providers together to share and receive information and to network.

Who comes to the Family ICC?

The Family ICC is open to everyone who is invested in children birth to six years of age with or at risk of a delay or disability, including parents, family members, school staff and providers.

Is the Family ICC the place for me?

Are you a parent or caregiver of a child age birth to six who is at risk of a developmental delay?

Would you like to be connected to parents and professionals to share and learn about resources?

Would you like to be informed about changes in policies and systems that affect services for children age birth to age 6?

Are you a forward-thinking person who has an active interest in creating positive change?

Would you like to provide feedback and work together to create positive change?

If you answered “YES” to any of these questions then....

Family ICC

Is the Place for YOU!

Who coordinates the Family ICC events?

A parent and early childhood providers work in collaboration with a planning committee.

A planning committee is open to all and regularly plan and prepare for upcoming events.

The Family ICC is funded by Individuals with Disabilities Education Act (IDEA) Part C Early Intervention Services.

Benefits for Families

Provides an opportunity to gain knowledge and learn about resources in the community and the early intervention system.

Meet and network with other parents of young children and share information and resources with others.

Provide feedback to community partners who support young children and families.

Strengthen ability to be an advocate for your child.

Benefits for Providers and Community Partners

Strengthen partnerships with parents and providers supporting young children and their families.

Learn about resources in the community and share information and resources with others.
