Snohomish County Public Works proposes to construct sidewalk improvements on Center Road and Alexander Road. The sidewalk improvements would extend for approximately 500 feet eastward from the Alexander Road/Center Road intersection to match into an existing sidewalk on the south side of Center Road and would extend for 100 feet south from the intersection on Alexander Road. The purpose of the project is to provide accessibility that meets the current Americans with Disabilities Act (ADA) requirements. The improvements will improve pedestrian accessibility for area residents who live in the project area.
