

MEADOWDALE BEACH COUNTY PARK FEASIBILITY STUDY

Exhibits were prepared by Anchor QEA, LLC for Snohomish County for the "Conceptual Alternatives Discussion Meeting" on January 15, 2015. Renderings were provided for the meeting to illustrate concepts that are works in progress and were for discussion purposes only.

Alternatives 1 and 2

Renderings were provided for the meeting to illustrate conceptual railroad openings only; and do not include associated nearshore, habitat or park element modifications.
