

LOCAL CAREGIVER WEBSITES

An important service offered by the Snohomish County Caregiver Support Program is the local website: www.snocare.org

Senior Services of Snohomish County hosts and maintains this site. In 2002 it was one of three websites that addressed caregiver support in a comprehensive way. *Each year* this website has consistently served over 12,000 new visitors with 200,000+ hits.

The site includes:

- A comprehensive Resource Directory of programs, resource lists, services and options that can help caregivers better manage their responsibilities;
- An online TCARE survey;
- A Caregiver Lending Library; and,
- Links to other websites.

The most used feature of the website is the **Calendar of Events**. Here you will find a complete listing of locally scheduled trainings, events, and educational opportunities.

A second valuable website for Snohomish County caregivers is hosted by the Alzheimer's Association: www.alzwa.org. Here you will find both local and national information.

The Washington State site includes links to: the Blog, Support Groups (dementia-specific), Early Stage Memory Loss, Walk to End Alzheimer's, Annual Conference, Events, Helping You (national 24/7 helpline), and Washington State Advocacy.

The site includes the **Chapter Calendar** of local trainings, educational opportunities and more.
