ABOUT US

Craft3 is a nonprofit, non-bank Community Development Financial Institution (CDFI) providing loans that strengthen businesses, families and the environment throughout Oregon and Washington. Craft3 is a fully licensed consumer lender.

We are proud to offer the Clean Water Loan with support from many public and private partners including the U.S. Environmental Protection Agency and the State of Washington. A full list of supporters is available on our website.

To learn more or to apply for a loan, visit our website www.Craft3.org.

OUR LOAN WORKS FOR YOU

Benefits and Features

- Finance the full cost of designing, permitting, installing and maintaining your septic system.
- Competitive interest rates and no upfront costs.
- Highly inclusive for a range of property types and incomes.
- Deferred payment options may be available for Washington homeowners with lower incomes.

Eligibility

- Open to residential and commercial properties in select counties in Washington and Oregon.
- Properties can be owner- or non-owner occupied. Rentals and second homes are eligible.
- One of the following must apply:
  - your septic system is at least 25 years old;
  - your system is failing;
  - you have been contacted by Health Officials; or
  - you are under orders to fix your septic system.

CLEAN WATER LOAN

to repair or replace failing septic systems in Oregon and Washington

Craft3 is an equal opportunity lender, provider and employer. Craft3 NMLS ID #390159 6/9/16
Are you concerned about your septic system?

Finding out your septic system is failing can be scary and expensive — but getting it fixed doesn’t have to be. That’s where Craft3 comes in. With support from many partners, we offer an affordable Clean Water Loan to help families repair or replace their failing septic system with no money down.

Our Clean Water Loan makes it easier to fit the complete cost of designing, permitting, installing and maintaining your septic system into your household budget. In some cases, you can also finance connection to a nearby municipal sewer system.

Craft3 has unique approval criteria and repayment terms that work for a wide range of property types and family circumstances. Fewer failing septic systems in our communities means fewer families vulnerable to displacement and less pollution that can harm our children, natural resources, and local industries reliant on clean water.

We currently offer the Clean Water Loan to residents in select counties of Washington and Oregon. Visit www.Craft3.org/CleanWater to see if your area is eligible, learn more or read borrower stories.

We look forward to becoming your partner.

---

**WE MAKE REPLACING YOUR SEPTIC SYSTEM EASY**

1. Submit your loan application online at www.Craft3.org/CleanWater. Receive pre-approval within 3 business days.
2. Obtain a design for your system, permits and installation bids from a county-approved contractor.
3. Finalize your Craft3 loan. Securely sign your loan documents electronically or by mail. **50 percent of your loan amount is available upfront for design, permits and installation.**
4. Oversee the work by your contractor to repair or replace your septic system.
5. Authorize Craft3 to pay your contractor once work is completed to your satisfaction and approved by the county.
6. Enjoy your new system — making sure to maintain it properly. **All loans include a $2,000 reserve to support your system’s ongoing health.**
7. Repay your Craft3 loan via convenient automatic bank payments.
