WELCOME TO FAMILY DRUG TREATMENT COURT

Family Drug Treatment Court (FDTC) can give you the chance to address your drug problem and get into recovery as you work to get your child(ren) back into your care. This handbook will give you information and program rules about FDTC. Please share the information about the program with your family and friends who support your recovery. Remember, you are required to follow all the rules in the program at all times.

NOTE: The information contained in this handbook may change from time to time; participants will be kept informed of any changes.

Please read this Handbook carefully.

You are responsible for understanding it and will be sanctioned up to and including termination if you fail to follow the rules and requirements in this handbook.

Please contact the Drug Court Coordinator if you have any questions.

Three Simple Rules to Success in FDTC:

1. Show Up
2. Be Honest
3. Try Hard

WHAT IS A DRUG TREATMENT COURT?

FDTC handles cases where children are taken away from their parents and placed with the Department of Children, Youth and Families (DCYF) because of their parents' drug or alcohol problems.

This is a special program where you are supported by a team that includes a judge, assistant state attorney general, parent's counsel, drug court coordinator, treatment professionals, and DCYF social workers. This program can help you by giving your life structure, helping you get into treatment, providing you with random UA testing to show the courts you are staying clean, and incentives and sanctions to reinforce positive behavior changes.

As part of this program, you will have to participate in substance use disorder treatment to help you address your drug and alcohol problems and other issues. Some treatment will be in group settings and some will be one on one meeting with counselors.

You will also have to attend sober support meetings (like AA or NA). Based on your treatment assessment, you may also be referred to inpatient treatment.

You must follow all the rules of your Dependency case and follow the instructions of your social worker.

Equal Opportunity

You have the right to participate in this program without discrimination as to your age, sex, race, creed, color, religion, national origin, sexual orientation, marital status or physical disability.

Safety

Safety is everyone's responsibility. Safety rules are posted on bulletin boards at service agencies and in the courthouse for your convenience. You must obey all court orders and rules/regulations regarding weapons. You may be terminated if safety concerns are determined by the team to outweigh your continued participation in this program.

Confidentiality

Your rights to confidentiality are protected by Federal laws. Information will not be released by the team without your written consent. You will be asked to sign a consent form allowing the exchange of information between treatment providers, program staff, and team members, as well as others identified by the court, in order to participate in the program. Exchange of information is necessary and in your best interest.

The release of confidentiality will extend to others who may be present or participate in staffing or other discussions that relate to your participation, including the possible presence of the press or public. We will take what steps we can to respect your privacy and not discuss sensitive personal information in open court.

Confidentiality is also essential in group sessions. Anything discussed in group must not be repeated outside of group. Do not discuss any information about any participant outside of group. Confidentiality also applies to things said in the courtroom. Outside group and court, do not talk about any information you hear from or about any other participant.

GETTING STARTED – YOUR FIRST WEEK OF FDTC

If at any point you are confused about what to do next, talk to any team member for guidance.

Your main weekly contact will be with your DCYF Social Worker and treatment counselor. There is more information about team member roles and responsibilities in this handbook.

Once you have signed your Opt-In paperwork, you will begin the program requirements.

PROGRAM REQUIREMENTS

Group and Individual Treatment:

Your treatment program will consist of scheduled group and individual counseling sessions with your assigned treatment counselor. You are required to actively participate in all sessions. Failure to participate will result in a sanction from the court and can lead to termination from the program.

You are responsible to be on time for all treatment sessions and any missed sessions will result in a sanction from the court. You may not be allowed to enter a treatment group that has already started. If you are more than 10 minutes late, it will be considered a missed treatment group. If you miss an individual meeting with your treatment counselor, without being excused or cancelled within 24 hours of the session, it will be considered a missed treatment session.

You may be required to participate in other programs that may include, but not limited to: job readiness, family education, anger management, Moral Reconciliation Therapy (MRT), mental health treatment, domestic violence counseling, or others as deemed necessary.

Treatment Phases:

You are required to successfully complete all phases of treatment before you are eligible to graduate. Your initial substance use disorder assessment will determine which treatment level of care is appropriate for you to start in Phase I.

You need to complete your individual treatment plan as created by your treatment counselor.

Suspension from treatment:

You must be enrolled in treatment while in this program. Suspension from treatment or leaving inpatient treatment against medical advice may result in termination.

GENERAL PROGRAM RULES

There are general program rules you need to follow throughout the program. The following is a list of Do's & Don'ts:

Do's:

- ✓ Complete a "Medication Form" for any & all prescription medicines. Be aware of over the counter medicines that are prohibited in the program.

If an emergency occurs and you cannot attend court (medical, accident, family, etc.) please call the Drug Court Coordinator as soon as possible and leave a message stating why you will not be present in court. If you fail to appear in court and fail to call the Drug Court Coordinator, a warrant will be issued for your arrest.
- ✓ Attend treatment each week as scheduled and complete all treatment requirements.

- ✓ Do not deliberately consume large amounts of liquid to dilute your urine or add anything to your urine to attempt to manipulate the test results.

- ✓ Do not associate with known drug users, dealers, manufacturers or deliverers, and you cannot go to drug houses, bars, or taverns. You must live in a residence that supports a recovery lifestyle.

SOBER SUPPORT: MEETINGS AND SPONSOR

MEETINGS: You are required to attend and participate in a minimum of three (3) sober support meetings per week (on different days). This is in addition to your other required treatment sessions. Attendance at these meetings is designed to help you identify community resources that will support your recovery.

You may substitute 1 of the 3 meetings with a pro social activity (examples: parenting groups, DV Support Groups, etc.). Please check with your treatment counselor (or social worker if you have completed treatment) for approval if you want to substitute a regular sober support meeting with a pro-social activity. If you have questions about the times & locations of sober support meetings, please check with your treatment counselor for schedules.

The following rules apply to your meetings each week:

- You must attend each of these meetings on different days during the week (example: Friday, Monday and Tuesday).
- Your meetings cannot conflict with your treatment appointment, DCYF requirements or court.
- You are responsible for checking that your name, date, name of the group and location are accurately written on your sober support verification slip. Other FDTC participants cannot sign your slip, even if they are the chair of the meeting. You do not write the date, name of group, and location on the slip. This information will be completed by the meeting chairperson.
- Verification Slips are due by 12:00 PM every Thursday (or sooner). Please turn your slips in to your treatment counselor or treatment liaison.
- Slips may be faxed but they must be legible. If we can't read them, they won't be counted toward your required meeting total.
- Once you have fully completed all substance use disorder treatment, your sober support meeting slips must be turned into your social worker weekly (by 12:00 PM on Thursday). Please see your social worker for more information.
- If your verification slip is turned in late or not turned in for the week, you will receive a sanction.

Failure to attend the full duration of the meeting and/or forging your sober support verification slip may result in a sanction up to and including termination.

SPONSOR: You are required to obtain and maintain a sober support sponsor during your participation in this program. You will not be able to advance from Stage 2 without a sponsor.

COURT APPEARANCES (REVIEW HEARINGS)

You are required to attend all of your court review hearings. You must arrive on time and be appropriately dressed (see Rules & Responsibilities) for court. You are expected to remain until the end of the court session.

If you are a Stage 3 or Stage 4 participant and are in compliance, you will be called at the top of the court calendar and allowed to leave after your hearing with the Judge has finished.

If you do not appear in court and have not made prior arrangements with the court or do not have a verifiable emergency, you will be considered as out of compliance with program requirements. If you do not appear in court for two consecutive weeks and have not made prior arrangements with the court or do not have a verifiable emergency, you will be Terminated from the program.

COURTROOM RULES

You are expected to follow the courtroom rules at all times:

DO:

1. Turn off all electronic devices and cell phones, before entering the courtroom.
2. Pay attention during the court hearing. When the Judge calls your name, walk quickly to the front of the courtroom for your hearing. Once your hearing has ended, return quickly to your seat.
3. Wear appropriate clothes for court
 - Loose fitting slacks, skirts, shorts, and jeans are acceptable. Pants must be worn **at** the waist, not around the hips. Shorts and skirts (including those with slits) must be no more than five inches above the knee.
 - Appropriate footwear must be worn, i.e. no flip flops.
 - Participants must wear shirts at all times. No bare midriffs, plunging necklines, or see-through fabric for men or women. No clothing displaying alcoholic beverages, drugs, nude pictures, obscenities, or other words or images that may be offensive to other participants or staff.
4. Call the Judge “Judge” or “Your Honor.” Stand at the podium when talking with the Judge. Remain seated at the end of court until the Judge stands.

DON'T:

1. Use the internet, record video (or sound) or text in the courtroom.
2. Tank tops, muscle shirts, halters, and undershirts (worn as outer garments) cannot be worn in the courtroom.

3. Hats, caps, bandanas, sweatbands, sunglasses or other non-religious headgear cannot be worn in the courtroom.
4. Leave the courtroom once court has started, except for emergencies (illness or to attend to a crying child). Take care of any personal needs (bathroom, phone calls, smoking, etc.) before entering the courtroom.
5. Bring infants and/or small children to court if there is any chance that they may be disruptive. Do not bring children to court if there is any chance that you may be ordered to go to jail that day. Having children in court will not delay or impact your sanction. If no immediate arrangements can be made for their care, CPS will be called.
6. Use the courtroom for socializing; side talking is disrespectful and distracting.
7. Chew gum, or bring any food or drink, except water, into the courtroom.
8. Use any profanity or disrespectful language.

CONDUCT

You are expected to be polite to everyone and show respect to staff, service providers and peers at all times.

Inappropriate sexual behavior, comments, language or harassment toward staff, your service providers and/or other participants will not be tolerated and may result in termination.

LIFE CHOICES

If you are seriously committed to breaking the cycle of addiction, you will need to change the people, places and things in your life that may be linked to your use of drugs and/or alcohol. You will be in violation of your agreement with this program if you don't change those aspects of your life that promote the lifestyle of a drug addict. If you ignore this, it will simply be a matter of time before you relapse.

Places you are NOT ALLOWED to go to include:

- Bars, taverns, lounges and pubs
- Hookah bars
- Marijuana shops
- Casinos
- Adult entertainment establishments

DRUG AND ALCOHOL TESTING
REQUIREMENTS/UA LINE/COLLECTION SITE PROCEDURES

You will have to provide urine samples to monitor your progress. Urinalysis (UA) results will be documented and made available to the court. Any positive urine tests, missed, tampered or diluted samples, or refusal to provide a sample can be grounds for sanctions up to and including termination.

Drug and alcohol testing will be required on a random basis throughout your participant in FDTC. All drug and alcohol testing will only be accepted and performed by a collection site approved by the court. You may also be told at any time, either in person or by phone (including voicemail), that you are required to submit a urine sample that same day. It is your responsibility to provide the Drug Court Coordinator with a working phone number to reach you at that has voicemail if you cannot be reached. You must check your voicemail regularly while in the program. Saying that you did not check your voicemail messages is not an excuse.

Observed UA collection is a requirement of the UA testing protocol. A same sex collection site staff will directly observe the collection of urine specimens. Collection site staff will inform you of the UA collection procedures. It is your responsibility to review these procedures and ask for clarification if you don't understand.

All UA results are confirmed. Specimens below 90 degrees, above 100 degrees, or that have a creatinine level below 20 mg/dL will be presumed to be diluted or fraudulent. DO NOT drink excessive fluids before providing your urine sample.

Any missed, unable to provide, diluted or tampered tests will be treated as a positive UA result. Any attempt to falsify a UA result is grounds for immediate termination from the program.

You must avoid contaminants or foods that can conflict with UA testing results. You are responsible to check all labels.

These include but are not limited to:

- **Products containing alcohol** (*Hand sanitizer, mouthwash, medications, etc.*)
- **Foods cooked or prepared with alcohol**
- **Fermented beverages** (*kombucha tea*)
- **Poppy Seeds** (*Sometimes hidden in breads, muffins, bagels, pastries, salad dressings, etc.*)
- **Energy Drinks**
- **Supplements containing Creatine**

There are certain prescription medications, over-the-counter medications and supplements that will conflict with UA testing. Be sure to follow the Medication procedure in this handbook and discuss with the Drug Court Coordinator prior to taking any medications/supplements.

If you receive a positive UA test because you were exposed to or ingested one of the above substances, without prior approval, it will be treated as a positive UA and you will receive a sanction from the court. Again, you are responsible for anything that your body consumes or is exposed to.

When in doubt, do not use, consume or apply!

UA CALL LINE:

You will be assigned a unique Client ID Number while in this program. **It is your responsibility to know this important number.**

You are responsible to call the UA Call Line each day (*including weekends and holidays*) to see if you need to provide a UA specimen that day. The UA Call Line is only open from 5:00am – 3:59pm. It closes at 4:00pm daily. **The number is: 425-953-1346.** Please realize that everyone that tests calls the number listed above. If you fail to get through the UA Call Line the first time due to excessive volume, continue to call until you get through.

When calling the UA Call Line, be sure to follow the prompts as directed. The message will either tell you that you **ARE REQUIRED** to test today or **NOT REQUIRED** to test today.

If you are required to test on that date, you will need to report to the approved collection site within the following collection times:

Monday – Friday
7:00 a.m. – 11:00 a.m. or 12 Noon – 2:30 p.m.
Saturday or Sunday
9:00 a.m. – 11:30 a.m. only

You can also check online to see if you need to test on any given date by going to the following website: **www.mycallin.com**.

If for some reason the UA Call Line and online notification systems are down; you must call your Drug Court Coordinator. If you cannot get through to anyone, you must go down to the collection site that day (*during collection times*) and ask if you need to provide a UA specimen on that day. You will receive a sanction for a missed UA if you do not follow these directions.

SEVERE WEATHER PROCEDURE:

In the event of severe weather (snow, flooding, power outages due to wind, etc.), call the UA line after 8:00 a.m. If you are told to report, proceed as normal to submit your urine sample.

COLLECTION SITE PROCEDURES:

Once you enter the collection site, collection site staff will sign you in and ask you to initial next to your name on the sign-in sheet.

After signing in, **DO NOT** leave the waiting room until you have provided your UA specimen for that day. If you do leave, you will not be able to come back in to UA that day and it will be counted as a missed UA. Signs are posted at the collection site notifying you of this policy.

Please be respectful to collection site staff, property and other donors at the collection site. Any inappropriate behaviors will be reported to FDTC, such as but not limited to: inappropriate language (profanity/drug talk/sexual comments/etc.), destruction of property, loitering, etc.

If you are taking any medications and/or supplements:

- You must inform collection site staff of any medications that you are taking (including over-the-counter, prescription and supplements) and have them listed on your donor form for **every day** that you are taking the medication. **When in doubt, list the medication.**
- You must adhere to the Medication Policy in FDTC and notify the Drug Court Coordinator of any and all over-the-counter, prescription medications, and supplements.

If you are unable to provide a UA Sample:

- The collector will offer you an 8 ounce glass of water every ½ hour.
- You will have 3 chances to provide a sample or 3 hours, whichever comes first. However, please be mindful of UA testing times as you may not be given up to 3 chances or 3 hours if they are closing.
- You will need to let the collector know when you are ready for your 2nd or 3rd chance to provide your sample.

DESIGNER DRUGS:

You are **NOT** to use any designer drugs or any drugs sold as “Not for human consumption” or “novelty collector’s item” while in FDTC. **You will be sanctioned for using these types of substances.**

Examples include, but are not limited to:

- Synthetic Cannabinoids (Marijuana): *Spice, K2, etc.*
- Designer Stimulants: *Bath Salts, Khat, Molly, etc.*
- Other Designer Drugs: *DMT, Kratom, Krokodil, Benzo Fury, BZP, Fly, BDO, Flakka, Gravel, Smiles, etc.*

Always contact your treatment provider if you have questions about your UAs

MEDICATIONS

You must inform your treatment provider (or your social worker if you are no longer in treatment) of **all** prescribed and over-the-counter medication use.

If you have chronic pain or mental health issues requiring ongoing use of prescription medications (such as opiates, stimulants or benzodiazepines), you may not be eligible for the program. In order to participate in FDTC, you will need to speak to your prescriber regarding alternatives to your current medications.

Medications identified as habit forming, having abuse potential, harmful to your recovery, or conflict with UA testing include, but may not be limited to:

- **Central Nervous System (CNS) Stimulates** (e.g. Adderall, Concerta, Ritalin, Dexedrine)
- **Barbiturates** (e.g. Seconol, Butisol Sodium, Phenobarbital)
- **Benzodiazepines** (e.g. Xanax, Klonopin, Valium)
- **Hallucinogens** (e.g. Dextromethorphan-DXM, Marinol)
- **Sedative-Hypnotic** (e.g. Ambien, Soma, Lunesta)
- **Opioids** (e.g. OxyContin, Vicodin, Codeine, Tramadol, Fentanyl)
- **Alcohol** (e.g. Peridex Oral Rinse)
- **Muscle Relaxants** (e.g. Methocarbomal, Cyclobenzaprine)
- **Cannabinoids** (e.g. Marinol, CBD)
- **Phenylephrine, Pseudoephedrine, Ephedrine**

If you are prescribed **any** medication, your prescriber must complete the Medication Form.

The form must be given to your prescriber at the time of service so they can provide FDTC with this information: medication prescribed, amount prescribed (including refills), reason for prescription, duration of treatment, and acknowledgment that you disclosed you are a substance abuser and the prescriber feels this is the best course of treatment.

The Medication Form must be completed by your prescriber within 24 hours of receiving the medication and they must fax it directly to the Drug Court Coordinator. You are required to use only one prescriber and one pharmacist for all prescribed medications taken while in FDTC.

Any medications may result in a change to your clean and sober date as it applies to drug court graduation requirements.

Over-the-Counter Medications:

Some over-the-counter medication and supplements may conflict with UA testing and may be habit forming. You may not take medications containing pseudoephedrine, ephedrine, dextromethorphan, phenylephrine, alcohol (e.g. Nyquil, Sudafed, Robitussin, Delsym, Vicks, Claritin-D, Benadryl, Zantac, and Imodium). If you receive a positive UA test it will be treated as a positive UA and you will get a sanction from the court.

It is your responsibility to follow the medication procedure. If you do not, you may be terminated from the program.

MEDICATION ASSISTED TREATMENT (MAT)

If your treatment agency recommends MAT, they will work with you to find a suitable MAT provider. You must have your MAT provider fill out a Prescription MAT Form prior to beginning MAT. This completed form must be faxed directly from the MAT provider to the Drug Court Coordinator. The Prescription MAT Form can be given to you by the Drug Court Coordinator. You are responsible for making sure your MAT provider fills out the FDTC MAT Status Report form and provides this form to your provider. Your treatment liaison and Drug Court Coordinator can give you the MAT Status Report form. If you are applying to FDTC and already on MAT, you cannot opt in to the program until this form is completed by your MAT provider and sent to the Drug Court Coordinator.

HOUSING

You must live in a clean and sober residence within Snohomish County at all times while participating in this program.

You are not to have any drugs (*including marijuana and designer*), alcohol, and/or paraphernalia in your home. **This rule applies to everyone who lives in the home, regardless if they are participating in drug court.**

If you choose to live in a clean and sober housing community, please check with the Drug Court Coordinator for approved sites.

TRIP REQUESTS

If you need to travel for a family or pro social event, you will need to complete a Trip Request form and provide it to the Drug Court Coordinator.

SANCTIONS

A sanction is a consequence for a failure to meet program requirements. Sanctions are a reminder that you need to be in full compliance, and also to help you stay engaged and encourage you to continue working through the program with the goal of graduation.

The seriousness of the program violation determines the severity of the sanction imposed. Sanctions increase in severity if program violations continue and/or occur during later stages in the program. Some examples of sanctions include: reprimand from the Judge, increased court appearances, community service hours, essay writing, jail time, or termination from the program.

PROGRAM VIOLATIONS AND SANCTIONS

Please note that as you progress through the program, the same behavior may result in a different sanction depending on what stage you are in. The Sanction Chart is intended as a guide only; the Judge decides on the sanction based on feedback from team members.

Violations	Sanctions

GRIEVANCES

There is always the potential that treatment you receive by another person or this program may not be perceived by you as either fair or appropriate. To safeguard against any mistreatment or failure to provide quality care, this program has a procedure for addressing your complaint or concern.

1. Discuss the issue with the person you feel has treated you unfairly or inappropriately.
2. If your concern is not resolved, you may file a formal grievance with the program.
3. To file a formal grievance, complete the Grievance Form and submit to the Drug Court Coordinator.
4. Complaints and grievances will be forwarded to the Program Administrator who will investigate your issue.
5. You will be notified of the outcome within 10 business days.

TERMINATION

Due to many reasons, there are instances when your progress is unproductive for you, the program or both.

In making the decision whether to terminate someone from the program, the court may consider your past efforts regarding compliance and progress in the program.

Examples of violations that may result in termination include, but are not limited to:

- UA violations
- Non-compliance with treatment
- Falsifying documents (*such as meeting slips, Community Service Forms*)
- Dishonesty
- Failure to abide by the terms of the contract, program rules or handbook
- Threatening, harassing or assaultive behavior
- New dependency or criminal charge
- Not being able to meet any one the graduation requirements within the designated program length
- Bench warrant more than two weeks

Termination may be voluntary or involuntary. You may decide to terminate from the program because the program no longer meets your needs (*voluntary*) or, the team may, at any time during the program, request your termination (*involuntary*) for non-compliance or violation of any of the rules of the program.

For self (voluntary) termination, you must give one (1) week notice, with an appearance in court, before self-terminating from the program.

You will be terminated if you have been in warrant status for over 14 days or may be terminated if you are unable to successfully complete the program within 18 months.

If the team recommends termination, and you disagree with that decision, you may have a fully contested, adversarial hearing before another judge.

GRADUATION

After you have completed all program requirements, you will be eligible to graduate. Family and friends are encouraged to attend your graduation. At graduation, the Judge will present you with a certificate of completion, a card from the team and the FDTC graduation coin. Team members and others will be invited to speak on your behalf as well.

All scheduled graduation dates are tentative and subject to change. You should not make plans that would impact your ability to continue your participation in the program should your graduation date be extended. All program participants are encouraged to attend graduations, regardless of whether or not they are scheduled to be in court that day.
