

## Give feedback on pedestrian accessibility – Public Meeting Tonight!

**Today's the day!** Come on down to the [Everett Station](#) (it's only 0.5 miles from the County Campus) between 5:30 and 7:30 p.m. tonight.

Your feedback can help prioritize the removal of barriers that keep you, your family, and friends from accessing sidewalks, curb ramps, pedestrian crossings, pedestrian signals and beacons, and more in the public right-of-way of unincorporated Snohomish County.

## Provide Feedback on Public Works' ADA Self-Evaluation: September 15, 2016

### **Americans with Disabilities Act (ADA) compliance is a priority**

Join us to identify and prioritize compliance challenges for pedestrian facilities in the public right-of-way. Learn about Snohomish County Public Works' ADA Compliance Program and what we discovered in our self-evaluation study.
