APPLICANT AND LEAD AGENCY: Snohomish County Parks and Recreation

THRESHOLD DETERMINATION: The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public upon request.

The lead agency has determined that the requirements for environmental analysis, protection, and mitigation measures have been adequately addressed in the county's development regulations and comprehensive plan adopted under chapter 36.70A RCW, and in other applicable local, state, or federal laws and rules, as provided by RCW 43.21C.240 and WAC 197-11-158. Our agency will not require any additional mitigation measures under SEPA.

This project will require a shoreline substantial development permit and/or shoreline conditional use permit pursuant to Chapter 30.44 SCC. The permit application has been submitted to the Department of Planning & Development Services (PDS). A notice of application has been issued by PDS with further instructions and a public comment period of 30-days on the shoreline permit application.

APPEALS: Pursuant to SCC 30.61.300(10) this DNS may be appealed to the state Shorelines Hearings Board together with the appeal of the underlying Shoreline Permit. Appeal of this DNS is not allowed as a separate appeal, but must be combined with the appeal of the underlying shoreline permit and filed within the time period specified for the appeal of the shoreline permit. Appeal of a shoreline permit shall be filed with the Shoreline Hearings Board pursuant to RCW 90.58.180.
