Public Input Needed

The [Surface Water Management Division](#) (SWM) of Snohomish County is seeking information on the needs, expectations and interests of the public as they seek to fine tune their services. SWM provides a variety of programs and services for reducing road and property flooding, and preserving and improving the health of the water resources and natural systems in Snohomish County.

Residents of Snohomish County are invited to participate in a [short survey](#) to help SWM align their existing and future programs with the needs identified from public input.

The [Snohomish County Human Services Department](#), in conjunction with the Chemical Dependency and Mental Health Program Advisory Boards, are seeking public input about the perceived service gaps in Snohomish County related to alcohol, drug and mental health services. Members of the community are invited to participate in a [survey](#) to help them make informed decisions on addressing these issues. All [surveys](#) will be anonymous and any identifiable information you might provide in the comment sections will be kept confidential.

Road Closure - Lynnwood

The [Snohomish County Department of Public Works](#) is advising motorists in the Lynnwood area of road closures on **52nd Ave West** that will be in effect **July 18th through October 1st**. In order to construct curbs, gutters and sidewalks as part of a road widening project, the portion of **52nd Ave W, between 148th St. SW and 164th St. SW**, will be closed. Normal traffic will not return until the work is complete, but a detour route will be posted.

Volunteers Needed for Snohomish County's Council on Aging

Snohomish County [residents interested](#) in the needs and issues facing older persons and younger persons with disabilities are encouraged to be part of the [Snohomish County Council on Aging](#) (COA). The 30-member citizen advisory board advises both the county executive and the Long Term Care and Aging Office of the Human Services Department. The COA meets on the fourth Wednesday of each month (with no meeting in December), from 10am - 12pm. Smaller committee groups meet according to need, but all meetings occur during standard work hours. These volunteer positions are for 3-year terms and will begin January 2014.
