Budget Schedule

Citizen input is an important part of the budget process. Those who were unable to attend the October 8 public hearing will have another opportunity November 6, as hearings for the Executive Budget at will be held 10:30am and 6:30pm. The public hearings will continue to November 25, with the presentation of the Chair's Amended Budget at 10:30am. All hearings are currently scheduled to take place in the council chambers, on the 8th floor of the Robert Drewel building (Admin East).

Wright to Serve on NACo Justice and Public Safety Steering Committee

In 2014, Council Chair Stephanie Wright will join representatives from throughout the country to serve on the National Association of Counties Public Safety Steering Committee. This committee plays a critical role in advancing legislative and policy priorities related to criminal justice and public safety systems, including issues pertaining to law enforcement, homeland security, emergency management, fire prevention and control, community crime prevention, courts, juvenile justice and delinquency prevention.

Projects:

N. Lake Stickney Rd. and 52nd Ave W.

[Stormwater drain improvements](#) on 52nd Ave W will continue between 148th St. SW and 164th St. SW. This [project](#) currently requires northbound-only traffic in this section of 52nd Ave W, and residents are asked for their continued patience, as southbound drivers that ignore road closure signs will create hazardous situations and are subject to a \$500 fine.

Beginning the week of October 7th, a Surface Water drainage project will begin on N. Lake Stickney Dr. The new system will be located in the same footprint as the existing system, with wider diameter pipe, new catch basins, and re-grading of open channels to address road and flooding problems on private property. There are no road closures anticipated with this project but drivers are reminded to be mindful of traffic control measures and possible detour routes.

Transportation Tour

State legislators and local elected officials joined Governor Jay Inslee for a September tour of transportation projects in Snohomish County. The tour focused on 17 projects within the North Puget Sound Manufacturing Corridor that are important to maintaining our regional competitiveness in manufacturing and aerospace. A large turnout heralded the tour launch in Lynnwood, with representatives from our cities, county and state joining business owners, concerned citizens and community advocates to voice their support for a healthy regional transportation network.
