Snohomish County Council

County Budget Update

The Snohomish County Council is working with our analysts to review and adjust the Executive's proposed 2017 budget.

Budget specifics:

- In summary, we are dealing with a deficit of \$7 million.
- The Executive proposed closing this deficit with a modest tax increase and each department has been asked to decrease their budgets by specific amounts.
- Council met with each department to discuss their proposed budgets and needs.
- Public Safety (Sheriff's and Corrections departments) currently comprise about 75% of the general fund budget and as such, is facing the largest share of the budget cuts (\$2.4 million). These are real cuts which will impact services and people.

There are no easy answers or fixes to the budget deficit. I am working diligently with the council to come up with a reasonable budget the council can support. We are scheduled to adopt a final budget in November. I will keep you posted.

Snohomish County Office of Neighborhoods

Our County Sheriff Ty Trenary initiated the "Office of Neighborhoods" as an outreach program designed to make our communities safer. We want to help those who want to be helped. The program is working and making a difference for our county.

The Office of Neighborhoods is staffed by a Snohomish County Sergeant, two Deputies and an embedded social worker. Their goal is simple: Break the endless cycle of homelessness in Snohomish County, and to get them the help they need to become productive citizens again. The program is working and I will make sure this is in the budget that is presented to the council.

Marijuana Store moratorium

Last summer, the County Council instituted a moratorium on any new marijuana stores in unincorporated Snohomish County. The moratorium was in response to business owners and residents who complained about the number of marijuana stores that had opened up in their communities this year. Residents were particularly concerned about the "clustering" of the stores in small geographical areas.

This clustering was caused by some cities banning marijuana stores from their cities. As a result, marijuana store owners placed their stores in the county. Many are located just outside city boundaries.

I worked with Councilmember Stephanie Wright and the rest of the council to pass the moratorium. This action will give the county time for due diligence to study and determine where the stores should be placed and if there should be a minimum distance between the stores. I will let you know the outcome of this moratorium in a future column.

Thanksgiving

Thanksgiving is a national holiday and a time for reflection about the many blessings in our lives. We have so much to be thankful for in our country- Our families, friends and living in a beautiful part of our country. Best wishes this Thanksgiving from our family to yours!

Fun Thanksgiving fact: In 1789, President George Washington became the first president to proclaim a Thanksgiving holiday, when, at the request of Congress, he proclaimed November 26, a Tuesday, as a day of national thanksgiving for the U.S. Constitution. However, it was not until 1863, when President Abraham Lincoln declared Thanksgiving to fall on the last Thursday of November, that the modern holiday was celebrated nationally. (Source- The History Channel).

Fun family nights

How about a family movie night? The Hallmark Channel has new Christmas movies every Saturday night at 8:00 pm. from now through Christmas. So... Fire up the popcorn makers and enjoy these well-made, family friendly movies. Cherish the time with your family!

North Creek Neighborhood Fair

Thank you to the kind people who invited me to the annual North Creek Neighborhood Fair in the parking lot of the Light of the Cross Lutheran Church on 180th St. I had a terrific time meeting and talking with so many of you. Being with you just reinforces my belief in the importance of safe neighborhoods for families. Thank you for the invitation!

Future of Flight Fundraising Gala

The Future of Flight at Paine Field is an important asset to our Snohomish County Community. I was honored to attend the 6th Annual Gala & Auction at the Future of Flight Aviation Center. The special guest was Mike Massimino, the last person to have been inside the Hubble Space telescope on

it's final servicing mission in 2009. Pat Cashman and his son Chris were the auctioneers. All proceeds will benefit the S.T.E.A.M. (Science, Technology, Engineering, Art and Math) education programs, Aerospace Gallery exhibits and the financial assistance programs.

Thank you for your service!

This month, I would like to thank 1st Lt. Stephen Street, USAF for his service to our Country.

Stephen grew up in Mill Creek. He attended St. Brendan Catholic Grade School and Archbishop Murphy High School. He graduated from the University of Portland where he participated in the Air Force ROTC.

Stephen played with the Mill Creek Little League. He was a member of the Boy Scouts and Civil Air Patrol.

Currently, Stephen is a pilot on the E3 Sentry AWACS

airplane based at Tinker Air Force Base in Oklahoma City, OK. He has also served on active duty deployment overseas.

It's because of the dedication of young men and women like Stephen Street that our Country remains free and safe. Thank you for your service!

1st Lt. Stephen Street, USAF
