

MISSION

We engage in respectful partnerships with family members and community groups to nurture the development, education and overall well-being of young children. We provide educational experiences that cultivate the potential of the whole child. We provide family support, parent involvement and parent education that values diversity and builds on the strengths of each child and family.

VISION

Young children and their families are healthy and thriving as part of a diverse and unified learning community that is committed to their well-being. Parents advocate for systems that benefit their children. Families and community develop greater resilience, demonstrate compassion for others, and value life-long learning.

Definitions of Values...

Integrity: We are dedicated to the highest standards of honesty and dignity.

Trust: We believe in the integrity, ability and character of one another.

Compassion: We are sensitive to the suffering of others, with a desire to relieve distress, without judgment.

Partnership: We join together with others in mutual respect because we value the equally important and diverse contributions that each person or group has to offer.

Inclusion: We welcome the diversity that individuals bring to the group.

Empowerment: We encourage strengths in ourselves and others to bring out the power already within us, to overcome obstacles in our lives and to fulfill our goals.

Resourcefulness: We are inventive and utilize everyone’s creativity, knowledge and abilities to maximize our resources in the service of our community.

Accountability: We are stewards of the public trust. We hold ourselves to high standards of reliability in carrying out and taking responsibility for our work.
