Election Summary

The April 25, 2017 Special Elections featured measures in Fire District 14 and Fire District 18 to dissolve the districts and continue operations and services under North County Regional Fire Authority.

Special elections have an average turnout of 35% since 2006. The turnout for the April 25, 2017 Special Election was 22.75%. 52% of voters choose to return their ballot through one of our drop boxes.

A random batch audit of mail ballots was performed. The results of the six hand-counted batches exactly matched the results of the tabulation system tally for those same batches. There was no audit conducted of the accessible voting equipment because there were no votes cast on the deployed devices for the election.

In terms of election accountability and reconciliation, the number of voters credited matches the total number of ballots counted.

AVU: Accessible Voting Unit used to allow voters with a variety of disabilities to cast an independent, private, secure ballot.

Challenged: Mail Ballot Envelopes or Provisional Ballot Envelopes that are not processed due to a variety of voter related issues or actions.

Comparative Data: Column containing data from previous years or at other points during the election that can provide perspective to the number or percentage to which it is related. Clarification of what the data represents will be listed in parenthesis or in the comments field.

DIMS: Snohomish County's election management / voter registration database.

WINEDS: Snohomish County's vote tabulation system.
