Who’s Here?

a. Sheela George – Design Project Manager
b. Curtis Dyer – Design Engineer
c. Matt Ojala – Design Supervisor
d. Jane Anderson – Right-of-Way
e. Stephanie Cotton – Environmental Services
14th Ave W Extension Project

Timing and Funding

This project is in the design phase and beginning community outreach for feedback and information.

In 2017-2018 Snohomish County expects to:

- Finalize the design report
- Complete the right-of-way plan
- Begin the environmental review and complete the State Environmental Policy Act (SEPA) process.

Construction is subject to funding availability.
Benefits

This project includes:

• Creating an extension to connect Locust Way to 220th Street SW
• Adding sidewalks and bike lanes
• New stormwater detention and treatment facilities
• Improve traffic circulation and connectivity
• Improve traffic flow and mobility for vehicles, pedestrians and bikes
