

Notice of Land Disturbing Activity and SEPA Adoption/Threshold Determination

Index-Galena Road – Milepost 6.4-Milepost 6.9

Project Description:

Snohomish County will construct a relocated roadway that will extend from an area in proximity to the lower washout at Index-Galena Road Milepost 6.4 to an area in proximity to the upper washout at Milepost 6.9. The roadway will be relocated landward from the North Fork Skykomish River outside of the floodplain and channel migration zone. The roadway is located in unincorporated Snohomish County, Washington upstream from the town of Index. The relocated roadway will re-establish roadway connectivity on Index-Galena Road for residences, emergency service providers, recreationists, and land managed by the U. S Forest Service. The project would disturb an estimated 18 acres.

SEPA APPEAL: There is no opportunity for appeal at this time. Pursuant to SCC 30.61.300(10), SEPA appeals related to a shoreline substantial development permit shall be submitted to the state shorelines hearings board together with appeal of the underlying shoreline permit.

State Environmental Policy Act (SEPA) Decision:

On June 7, 2017, Public Works determined that this project does not have a probable, significant adverse impact on the environment and has issued a Determination of Non-significance (DNS). An environmental impact statement (EIS) under RCW 43.21C.030(2)C is not required. This decision was made after review of the project's National Environmental Policy Act (NEPA) documents and other information on file with this agency. We have identified and adopted these documents as being appropriate for this proposal after independent review. The documents meet our environmental review needs for the current proposal and will accompany the proposal to the decision maker. This information is available to the public on request.
