NSC Early Head Start serves families in the Arlington, Marysville, Granite Falls and Sultan communities.

FREE Home based early learning and family centered support for the earliest years.
Family Partnership and Well-being

- We provide parent and family services.
- We help families find assistance in challenging times.
- We help families identify and reach their goals, including goals related to housing, employment, education, and parenting.
- We invite parents to share information and insights about their child.
- We invite parents to offer ways to improve children and families’ experience in the program.

Early Learning and Development

- We build strong relationships as the foundation of life and early learning.
- We support learning through play, creative expression, and guided activities.
- We support children’s social and emotional development.
- We promote early math and science concepts in children’s home languages and in English.
- We promote language and literacy development in children’s home languages and in English.

Health and Wellness

- We promote healthy nutrition and activities to support physical development.
- We partner with parents and providers for medical, dental, hearing, vision, and behavioral screening.

Mental Health Services

- We help families understand and support their child’s needs.
- We can assist with mental health services for children and families, if needed.
