Re: BSRE Point Wells' Response to the Review Completion Letter

Dear Director Mock:

We are in receipt of the County's Review Completion Letter dated October 6, 2017 from Paul MacCready in which he establishes a January 8, 2018 target for receipt by the County of BSRE Point Wells, LP's next revised submittal. As we have previously informed your staff, our project consultants tell us that the work necessary to respond with the level of detail required by the County cannot be completed by that deadline.

Therefore, this letter confirms that BSRE is in the process of preparing its revised submittal and as soon as we receive updates from our consultants we will inform you of the new target date by which our submittal materials can be completed and provided to the County.

Thank you.

Sincerely,
