Snohomish County Council Holds First Night Meeting of 2018

On Monday February 5th, 2018, the Snohomish County Council will hold their first evening meeting of 2018. The meeting will be held 6:00 PM at the Edmonds City Council Chambers (250 5th Ave N Edmonds, WA) which is located within Snohomish County Council District 3.

In November of 2016, Snohomish County citizens voted to pass Proposition 5 which requires the County Council to hold an evening meeting in each County Council district at least once each calendar year. It also requires a public hearing be held in the evening on the proposed budget presented by the County Executive and on any proposed ordinance to adopt, amend, or repeal a county comprehensive plan; and repeal inconsistent transition provisions.

Each public meeting includes a public comment period. The Council encourages the public to attend these meetings as they are able, and to come with ideas and suggestions for the Council as they start to plan for the County's 2019 budget.
