## **Request for Proposal: Market Analysis and Feasibility Study to Determine Need for Multi-Use Sports Facility in Snohomish County**

*Due to Snohomish County Sports Commission by 12pm May 22, 2018*

**SNOHOMISH COUNTY, Wash., April 23, 2018** – The Snohomish County Sports Commission, a division of the Snohomish County Tourism Bureau, requests the services of a qualified consulting firm to determine the market demand and feasibility study of building a multi-use sports facility. Proposals must be received at the Bureau's Sports Commission office (6705 Puget Park Dr., Snohomish, WA 98296) no later than noon (12:00 pm) PST, on Tuesday, May 22, 2018. Postmarks not accepted.

The study should determine the need to expand capacity in sports programming for local and community sports organizations, as well as attracting potential regional, national and international sports events that draw visitors from 50 miles away or more. The multi-use sports facility may be an indoor, outdoor or a combination indoor/outdoor complex that could also include food/beverage concessions, merchandise retail space, production and/or staging capabilities, and equipment rental/sales.

Proposals by firms will be evaluated based on meeting submission requirements, experience with projects of similar size, cost, scope, proposed cost/budget, and project understanding. Any potential clarifying questions must be asked by May 11, 2018 and directed to Tammy Dunn, Sports Development Director, via email only at: [tammy@snohomish.org](mailto:tammy@snohomish.org).

The Snohomish County Sports Commission assumes no obligations of any kind for expenses incurred by any respondent to this solicitation. It is the Commission's policy to assure nondiscrimination in any contract entered into pursuant to this advertisement. Firms will not be discriminated against on the grounds of race, color, national origin, or gender in consideration for an award as provided by Title VI of the Civil Rights Act of 1964.
