ATTENTION: DARRYL EASTIN

We have one concern on this developement
We live on 199th st and it used to be a alley years ago
and one of the narrowest streets in Richmond Beach.
We are requesting blocking or a sign residents only etc...
Cars come up this street 50 miles per hour and I personally
have almost been hit! There are no sidewalks, and it is a safety issue.
Please address this important issue.

Thank You
Mr. Mrs. Hans Jensen
