

Snohomish County  
Planning and Development Svcs  
3000 Rockefeller Ave. 604  
Everett, WA 98201

In reference to your request for comments regarding Point Wells Development.

Our home is located in Richmond Beach at 1109 NW 200<sup>th</sup> Street Shoreline, WA. Our taxes will be affected by any costs involved with street improvements required to handle additional traffic due to this development. It would seem that any tax revenue associated with this development would accrue to Snohomish County. Therefore Snohomish County should either provide access through the town of Woodway for the residents of the development, or reimburse the city of Shoreline for all costs involved with street improvements necessary to handle the additional traffic.
