i am not going to waste words. it is ridiculous to think that this narrow little road, Richmond Beach Dr N. W could possibly handle all that traffic, it would be a major tragedy in the event there was any kind of an emergency. Divide the property in 1/2 acre residential building lots and provide boat moorage for owners. Our affluent neighborhood would support something like that. At any rate it will not work as planned. Stop wasting time and tax payers money working on the impossible. Anita Zinter 20224 Richmond Beach Dr. N. W.
