

**Snohomish County  
Public Works**

**Adopt-A-Road  
Recognition Sign Request**

Snohomish County will install two Adopt-A-Road signs recognizing your group's contribution to roadside litter reduction. Sign requests are made at the end of the month of your group's first clean-up. It will take approximately two months, from the time of request, for the signs to be installed. In order to assist us in sign fabrication and installation, please complete the following (please print or type):

Group Name (as you would like it to appear on the signs):

---

Adopted Road:

---

**ROAD NAME**

**FROM ROAD**

/

**TO ROAD**

Group Leader and Telephone Number:

---

If there is a particular spot along your adopted road where you would like the signs to be installed, please indicate below. If the section is left blank, one sign will be placed at each end of the adopted section. Sign placement will be subject to review by Traffic Operations. We will try to accommodate requests for sign placement, but the actual location of a sign will be subject to traffic engineering standards review and may not be placed in the exact location requested.

---

---

Please note that the signs are standard in size and color. Adjustments or additions to the design cannot be made. Logos, addresses, phone numbers, and e-mail or website addresses cannot be included on the signs.
