Russell Road and 28th Pl NE Culvert Replacements
Work Slated to Begin in Summer 2018

On Russell Road, between 28th St NE and 28th Pl NE, two existing culverts will be replaced to improve fish passage on Connor Creek. Installation of the two new concrete box culverts will take place this summer.

- The replacement 28th Pl NE culvert will measure 49 feet in length. The new culvert will be 5 feet high and 12 feet wide.
- The replacement Russell Road culvert will measure 40 feet in length. The new culvert will be 6 feet high and 12 feet wide.

Estimated cost for these culvert replacements is $640,000 and will be funded by the Snohomish County Road Fund.

Timeframe
Work is anticipated to begin in July 2018 and be completed in September 2018.

Traffic Impact
To install the new culverts, Russell Road will be closed 2.4 miles north of OK Mill Road. The detour will be an estimated 4.2 miles long.

The detour route will be signed and utilize North Machias Rd and 28th St NE.
