Application Workshop Q&A

Questions	Answers
1. If an Agency would like to apply for an expansion to an existing project, what application form(s) do they need to submit?	1. The Agency would submit two applications: 1) the First-Time Renewal Local Application or the Renewal Application, whichever is applicable, to apply for continued funding for the existing project and 2) the Local Application for Expansion Projects to apply for additional funding to increase the number of units in the project or to serve additional persons.
2. In the Local Application for New Projects, is the Project Milestone question only for capital construction projects?	2. No, the Project Milestone section applies to all types of projects. Milestones dates must be entered for each event applicable to type of project applied for. For events not applicable to the project applied for, enter "N/A".
3. The Community Participation Section includes Project Homeless Connect Planning Meetings and Project Homeless Connect. Since this event was cancelled this past year, is it still possible to check these boxes?	3. Yes, if an Agency participated in planning meetings over the past year or in last year's Project Homeless Connect Event, they may still check this box to get credit for their participation.
4. Where can we find information on project scoring criteria?	4. The on project review, ranking, and selection (including scoring criteria) may be found on-line at this link: https://snohomishcountywa.gov/DocumentCenter/View/53020/FY2018-Rating-and-Review-Procedure .
5. When will HUD announce the funding awards?	5. This can vary from year to year. Typically, HUD will announce funding awards in December or January.

We will post updated Questions from Local Competition applicants and Answers as they are received until 4PM, June 15, 2018.
