ABOUT THE PROJECT

The City of Lynnwood and Snohomish County are hosting a public Open House to provide information regarding a new project that will improve two miles of 36th/35th Avenue W between Maple Road and Highway 99. The project will add a two-way center turn lane, curb and gutters, bike lanes, planter strips, and sidewalks. A new traffic signal will be built at the intersection of 36th Avenue W and Maple Road/179th Street SW, and a roundabout is planned for the intersection of 36th Avenue W and 172nd Street SW. The City and County received a federal grant to support the design and right-of-way phases of this project.
