State Environmental Policy Act DETERMINATION OF NONSIGNIFICANCE

Date of Issuance: March 6, 2019

Lead Agency: Snohomish County Department of Parks, Recreation & Tourism

Agency Contact: Sharon Swan, sharon.swan@snoco.org, 425-388-6616

Description of Proposal: Flowing Lake County Park Entry Redesign - The purpose of the proposed project is to re-construct the existing entrance to Flowing Lake County Park. The project includes ADA-accessible vehicular and pedestrian circulation improvements within the park, a new 1-story (1,040 SF) ranger station, and associated septic and stormwater improvements. The project also includes widening along a portion of 48th Street SE as it approaches the park entrance to promote flow of vehicles into the park; reducing existing backups and improving vehicle access to adjacent properties.

The redevelopment of the park entrance will include removal of existing pavement, limited clearing of vegetation, grading, widening the entrance road to the park, and construction of new access roads for circulation within the park entrance.

Location of Proposal: 17900 48th Street SE, Snohomish, WA 98290. The property is situated within ¼ SW, Section 36, Township 29, Range 06 at Lat: 47.953578, Long: -121.988623. Parcel #29063600200800

Applicant/Proponent: Snohomish County Department of Parks, Recreation & Tourism

Threshold Determination: The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) IS NOT required under RCW 43.21C.030(2)(c). This decision was made after review by Snohomish County of a completed environmental checklist and other information on file with this agency. This information is available for public review upon request.

This DNS is issued under WAC 197-11-340(2); and the comment period will end on March 20, 2019.
