

# Riley Slough Bridge 155 to be Closed Starting in April 2019 for Bridge Replacement

Snohomish County Public Works is replacing Riley Slough Bridge 155, located on Tualco Road southwest of Monroe. The existing structure was built in 1930 and load limits were placed on the bridge in 2011. The new replacement bridge will be 206 feet long and 32.5 feet wide. It will accommodate two 11-foot vehicle lanes and two 5-foot shoulders.

## Construction Schedule

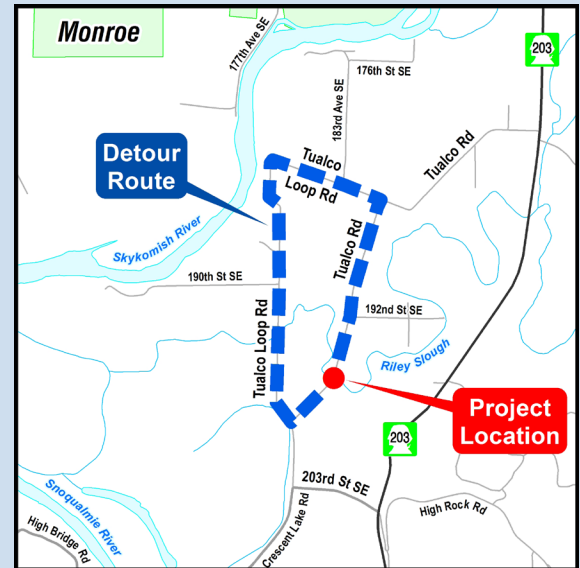

- Construction is targeted to begin April 1, 2019
- Bridge will be closed throughout the construction, and closure could extend into the beginning of 2020

## Road Closure

- There will be no access across the bridge during construction
- Traffic will be detoured (see map)
