**Statement from Dave Somers, Snohomish County Executive
on the Sri Lanka Attacks**

“My heart aches for the Sri Lankan and Christian communities as they recover from the horrible attacks on Easter Sunday. This is a season of hope and promise that won’t be diminished by acts of hate. The ability of people to worship freely without fear is a bedrock principle of human rights. We extend our hands to those impacted by these crimes. We are doing all we can to ensure our community is welcoming for all.”
