

SNOHOMISH COUNTY JOB DESCRIPTION
BUSINESS APPLICATIONS ANALYST 4 - DIS

Spec No. 3353

BASIC FUNCTION

Responsible for analysis, project management, product evaluation, interface design, workflow, quality assurance and change management of assigned application projects for clients. This position applies advanced knowledge and skills in multiple integrated specialties to provide creative, practical solutions.

STATEMENT OF ESSENTIAL JOB DUTIES

1. Applies advanced knowledge and skills in multiple integrated specialties with proficiency in all job functions related to applications, software, databases and electronic records.
2. Provides creative, practical solutions, consulting with higher level staff as needed, in a wide range of complex problems that affect a large number of users, require a large amount of resources, are of long duration and/or high risk; and designs/creates programs, data structures and reports in the area of applications.
3. Regularly represents specialty area on a variety of teams; mentors, directs, leads or supervises staff at 1-2 levels below; leads small groups; and is able to shape significant positive change in work correlated with applications, software, databases and electronic records.
4. Applies a working knowledge of project planning, management and methodologies in projects that incorporate applications, software, databases and electronic records.
5. Acts independently, with understanding of complex issues, consequences for a large number of users, impact of using a large amount of resources, short and long term implications, and/or potentially high risk. Exercises considerable judgment in determining objectives of assignments.
6. Demonstrates understanding of advanced, rigorous thinking skills on complex issues. Displays an awareness of how to analyze, prioritize, abandon prejudices and previous ideas, and apply practical considerations. Handles assignments across multiple specialties and in roles associated with the area of applications.
7. Communicates effectively with others by developing and presenting material in written, verbal and graphic format about complex issues about applications.

STATEMENT OF OTHER JOB DUTIES

8. May perform any of the duties and responsibilities of all lower level positions. May perform duties at the same level from other specialty areas. Performs other duties as assigned.
