

**SNOHOMISH COUNTY JOB DESCRIPTION**  
**LEGISLATIVE ANALYST - LAND USE SENIOR**

Spec No. 2323

**BASIC FUNCTION**

To provide technical expertise and project management for the council on issues related to comprehensive long range planning.

**STATEMENT OF ESSENTIAL FUNCTIONS**

1. Develop, research and analyze council initiatives related to comprehensive, economic, natural resource; land use and other long range planning activities; prepare legislation for council consideration.
2. Work with the legislative analysts to review policy and legislative recommendations from the executive and Planning Commission; analyze the legal, fiscal and policy impacts and make written and verbal presentations to the council.
3. Develop integrated land use, environmental, cultural resources, economic development, housing, community development, local government capital facility policy and plan proposals; formulate integrated regional, county and long and short range plans, plan implementation strategies and regulations.
4. Represent the council and serve as a liaison to other governmental entities in the coordination of major planning programs with other agencies and jurisdictions. Make presentations on policy recommendations and plan proposals to policy makers at all governmental levels and the general public;
5. Conduct economic, demographic and other special studies; projects and forecasts; collect and analyze data; develop work plans and schedules; formulate and recommend options and solutions.
6. Serve as the council's representative on various technical advisory committees, commissions and interest groups. Coordinate the formation of various groups as necessary.
7. Assist councilmembers and legislative aides in responding to questions and resolving planning related issues for members of the public.
8. Participate with the legislative analysts in the analyses and review of executive budget proposals, particularly those related to the Planning and Development Services and Public Works budgets.

**MINIMUM QUALIFICATIONS**

A Masters degree in urban planning, environmental studies, geography or related field; AND, three (3) years of experience in planning work related to the specific requirements of the position. Work related experience may be substituted for the required education or training on a year for year basis. Progression from Legislative Analyst - Land Use to this classification is at the sole discretion of the County Council. Must pass job related tests.
