

**WASHINGTON STATE BOUNDARY REVIEW BOARD
FOR SNOHOMISH COUNTY**

NOTICE OF PUBLIC HEARING

**LAKE STEVENS SEWER DISTRICT PROPOSED
ANNEXATION**

Notice is hereby given that a public hearing will be held by the Washington State Boundary Review Board for Snohomish County on **Tuesday, July 10, 2018 at 5:00 p.m.** in the Stillaguamish public meeting room, 1st Floor of the Robert J. Drewel Building, County Complex, 3000 Rockefeller Avenue, Everett WA for the purpose of considering, reviewing, and deciding on the above named proposal submitted by the Lake Stevens Sewer District (BRB File No. 02-2018).

The jurisdiction of the Boundary Review Board has been invoked by the Lake Stevens Sewer District.

This is a proposed assumption by the Lake Stevens Sewer District of approximately 26.84 acres located in general to the south and east of South Lake Stevens Rd, west of 111th Street SE and north of 18th Street SE. There are thirteen residences and an assumed population of thirty eight within the proposed assumption area. The proposed annexation is currently within boundaries of Snohomish County, Lake Stevens School District, Snohomish County PUD, and Fire District #8.

The legal description and map for the proposal is on file with the Boundary Review Board Office, Robert J. Drewel Building, 2nd Floor, 3000 Rockefeller Avenue, Everett WA.

The Boundary Review Board may approve, disapprove, or modify the proposal pursuant to RCW 36.93.150.

Snohomish County facilities, programs, services, and activities are accessible. The County strives to provide access and services to all members of the public. If you need ADA accommodations, please call our department ADA coordinator at (425) 388-3445 (voice).
