

SNOHOMISH COUNTY COUNCIL
SNOHOMISH COUNTY EXECUTIVE
Snohomish County, Washington

EMERGENCY ORDINANCE NO. 08-070¹

RELATING TO GROWTH MANAGEMENT, ADOPTING AN INTERIM ZONING ORDINANCE
REGULATING THE USE OF MOBILE HOME PARKS, ADOPTING INTERIM ZONING
MAPS, AMENDING SCC 30.22.130, DECLARING AN EMERGENCY,
AND SETTING A HEARING DATE

WHEREAS, the Council recognizes that decent housing in a suitable living environment is essential to the pursuit of a vital economy and a healthy community; and

WHEREAS, the Growth Management Act (GMA) and the Snohomish County Comprehensive Plan recognize the importance of availability of housing that people can afford as a pivotal element in the success of our communities; and

WHEREAS, nationwide, about fifty-five thousand manufactured home park communities are home to roughly ten million residents, or three million five hundred thousand families, of which seventy-five percent are considered low-income; and

WHEREAS, in many markets, homes in manufactured home park communities tend to remain affordable, compared to homes on fee-simple land; and

WHEREAS, new manufactured homes generally sell for about a quarter of the price of new single-family units, with median sales prices for new manufactured homes at fifty-one thousand dollars compared to two hundred twenty thousand dollars for new single-family units, according to the 2005 United States Census; and

WHEREAS, preserved resident-owned communities can remain accessible to low-income families as homes in these communities gain acceptance as a home ownership asset from low-income mortgage programs like the American Downpayment Dream Initiative and the dozens of other demand-side programs; and

WHEREAS, although manufactured home park closures and resident displacement is not a new threat to their residents and families, an ever-growing number of manufactured home park communities are coming under threat of closure as cities, suburbs and outlying areas expand and the underlying property becomes increasingly valuable for development; and

WHEREAS, manufactured home park community residents are vulnerable to displacement because, although they own their homes, they do not own the land upon which their homes rest; and

WHEREAS, this expanding pace and scale of closures has sent thousands of mostly low- and moderate-income manufactured home owners scrambling to relocate; and

¹ The reference in section 3.A of this Ordinance to “SCC 30.21.025(1)(a)(4)” is a typographical error. The correct citation is “SCC 30.21.025(1)(b)(iv).”

WHEREAS, although they are commonly referred to as "mobile" homes, this is misleading because most manufactured homes are not easily moved. In fact, most manufactured homes are not moved again once they leave the dealer's lot, due to the high expense of moving and the potential for significant structural damage during a move, especially for older manufactured homes; and

WHEREAS, even though most residents of manufactured home parks are long-term members of their local communities, when a park owner decides to sell, the residents usually find themselves faced with eviction and few alternative rental spaces which would allow them to maintain ties with their local communities; and

WHEREAS, several factors are driving the closures, such as landowners having the opportunity to make large profits because of rising land values and the cost of maintaining often-deteriorating infrastructure within manufactured home parks; and

WHEREAS, on June 1, 2006, the County launched "Everyone at Home Now," a 10-year strategic plan to provide safe and affordable housing to all citizens of Snohomish County and end homelessness in Snohomish County by 2016; and

WHEREAS, on April 25, 2007, the County Council adopted Ordinance No. 07-029 creating the Mobile Home Park zone to promote the voluntary retention of mobile home parks as a source of affordable detached single-family and senior housing; and

WHEREAS, Ordinance 07-029 has not achieved its intended result, because there have been no applications for voluntary application of the Mobile Home Park zone and the displacement of mobile home park residents continues unabated; and

WHEREAS, on March 19, 2008, the County Council adopted Resolution No. 08-011, expressing the Council's intent to take action for the preservation of affordable housing opportunities within mobile home parks, including imposing a temporary moratorium on conversions of mobile home parks until research on outcomes of those conversions can be completed; and

WHEREAS, the County Council is in the process of reviewing and adopting new or revised regulations for preserving affordable housing opportunities within mobile home parks; and

WHEREAS, the county should work with residents, land owners, local officials and often banking institutions to preserve and expand affordable housing for low income individuals and families and develop and negotiate solutions that will allow manufactured home park residents to gain the stability they and their families need;

WHEREAS, the conversion of existing mobile home parks to alternative uses such as condominium, townhome or commercial developments could displace hundreds of people and could result in losing mobile home parks as an option for affordable housing; and

WHEREAS, RCW 36.70A.390 provides that the County Council may adopt a moratorium, interim zoning ordinance, interim zoning map, and/or interim official control; and

WHEREAS, moratoria, interim zoning ordinances, and interim official controls enacted under RCW 36.70A.390 are methods by which local governments may preserve the status quo so that new plans and regulations will not be rendered moot by intervening development;

NOW, THEREFORE, BE IT ORDAINED

Section 1. The county council makes the following findings of fact and conclusions:

- A. The county council adopts and incorporates the foregoing recitals as findings as if set forth fully herein.
- B. Mobile home parks provide an affordable home ownership opportunity.
- C. The “highest and best use” of real property located within the mobile home park zone will be as a mobile home park, thereby removing a disincentive to retaining use of property as a mobile home park.
- D. This ordinance will help to maintain the long-term preservation of mobile home parks.
- E. The proposed code amendments implement GMACP HO Policies 1.B.1 and 1.B.3.
- F. This ordinance addresses an emergency within the County by slowing the conversion of mobile home parks to alternate uses, which is necessary for the immediate preservation of the public peace, health, and safety and for the support of county government and its existing public institutions;
- G. The amendments to Title 30 SCC adopted by this ordinance comply with the GMA requirement to adopt development regulations that are consistent with and implement the GMACP.
- H. The amendments to Title 30 SCC adopted by this ordinance are consistent with the countywide planning policies for Snohomish County and with the multi-county policies adopted by the Puget Sound Regional Council.
- I. The amendments to Title 30 SCC adopted by this ordinance satisfy the procedural and substantive requirements of and are consistent with the GMA.
- J. The amendments to Title 30 SCC adopted by this ordinance bear a substantial relationship to the public health, safety and welfare.
