Developmental Disabilities (425-388-7208 or 425-388-7320)

Website: <https://www.snohomishcountywa.gov/428/Developmental-Disabilities>

Snohomish County Developmental Disabilities fosters inclusive communities that support people with developmental disabilities to fully participate in and contribute to all aspects of community life by providing:

- Information/education/leadership opportunities
- Employment Support for adults over 21-years of age
- Early Intervention services for children birth to 3-years of age
- Support to families and individuals with developmental disabilities
- Advocating for access to services and the community at-large on behalf of individuals and families
- Planning for and working in collaboration with community resources
- Participating in policy development, working toward a continuum of services for individuals and families

Early Childhood Education and Assistance Program (ECEAP) (425-388-7010)

ECEAP is a state-funded preschool program that focuses on the well-being of the whole child by providing free, comprehensive nutrition, health, education and family support services to Snohomish County's at-risk young children. ECEAP serves the children most in need of these foundations for learning, 3- and 4-year old children from income-eligible families. Enrollment is prioritized for children in foster care, children experiencing homelessness, and families involved in Child Protective Services. The program is aligned with nationally researched programs that have shown exceptional returns on investment.

ECEAP is effective at:

- Increasing children's social-emotional, physical and pre-academic skills.
- Helping families move toward self-sufficiency and build their capacity to support their children's success.
- Ensuring that each child receives medical and dental care to start school healthy.

ECEAP provides services to more than 1500 preschool children and their families at 23 locations throughout Snohomish County and two in neighboring Skagit County.

Early Head Start (EHS) (425-388-6439)

Early Head Start (EHS) is a federally-funded community-based program for low-income families with infants and toddlers and for low-income pregnant women (based on the federal poverty guidelines up to 130% of poverty). All families are welcome to apply and enroll without restriction to immigration status. EHS strives to promote healthy prenatal outcomes for pregnant women, to enhance the development of very young children, and to promote healthy family functioning. We provide services to 82 families who live in Arlington, Granite Falls, Marysville, and Sultan communities. EHS provides these services:

- Home visits focusing on child development
- Parent/child socialization groups
- Special needs/disability inclusion services

Family Caregiver Program (Family Caregiver Resource Line at **425-513-1900**, or **1-800-422-2024** and/or visit www.snocare.org)

The Family Caregiver Support Program offers:

- Supportive services to the unpaid family caregiver (family, relatives, friends, etc.) who cares for loved ones, age 18 and older. All services offered through the Family Caregiver Program are goal-oriented and focus on the family caregiver's behavior and willingness to continue in the family caregiver role. Successful delivery of services will help family caregivers to: better cope with their unique caregiver experience; understand their options throughout their caregiver journey; and secure and sustain connectedness to the community. Services include specialized information, assistance to accessing services, training/educational workshops, support groups, counseling, and consultation. The TCARE Assessment and Referral process is the most recent service added to the program.
- Services are offered by trained and certified Family Caregiver Specialists at *Caregiver Resource Centers* located throughout the County to include: the Stillaguamish Senior Center, Northshore Senior Center, Mill Creek Senior Center, and the Family Center in Lynnwood.
- In addition, the Alzheimer's Association, Stillaguamish Senior Center, Snohomish County Long-Term Care and Aging and Homage Senior Services offer services County-wide. The Alzheimer's Association offers specialized dementia-focused services and Aging and Disability Network (Homage Senior Services) offers a full range of services including special outreach component of the Family Caregiver Support Program that reaches Filipino, Chinese, Korean, Vietnamese, and Hispanic communities.

Family Support Center Housing & Community Services Division (425-262-2904)

Program managers provide:

- Program guidance, contract management, and technical assistance for centers located throughout Snohomish County.
- County funding for centers in Stanwood, Darrington, South Everett (including Latino Resource Center), Sultan, and Lynnwood.

Snohomish County Children's Commission (425-388-7251)

Twenty-five (25) Snohomish County residents representing the geographic, professional and community diversity of our area serve on the Commission. The Commission meets monthly and advises the County Executive, the County Council, and the Human Services Department on issues of health, safety, and social services for infants, young children, and youth in our community.

BEHAVIORAL HEALTH PROGRAMS

Behavioral Health Community Services (425-388-7211 OR 425-388-3189)

Medicaid Transformation Project Demonstration (MTPD)

The Medicaid Transformation Waiver, part of Healthier Washington, will transform the delivery system for Snohomish County residents served by Medicaid, engaging and supporting Apple Health clients, providers, and communities to achieve improved health, better care, and lower costs.

Snohomish County Long Term Care & Aging will play a significant role in implementing the demonstration and ensuring its success.

The demonstration has two main LTSS components:

- Medicaid Alternative Care (MAC) - Creation of a benefit package for individuals who are eligible for Medicaid but not currently accessing Medicaid-funded LTSS. This benefit package will provide services to unpaid caregivers designed to assist them in getting supports necessary to continue to provide high-quality care and to focus on their own health and well-being.
- Tailored Supports for Older Adults (TSOA) - Establishment of a new eligibility category and benefit package for individuals “at risk” of future Medicaid LTSS use who currently do not meet Medicaid financial eligibility criteria. This is designed to help individuals avoid or delay impoverishment and the need for Medicaid-funded services.

MAC and TSOA include the following benefits:

- Caregiver Assistance Services: Services that take the place of those typically performed by unpaid caregiver.
- Training and Education: Assist caregivers with gaining skills and knowledge to care for recipient.
- Specialized Medical Equipment & Supplies: Goods and supplies needed by the care receiver.
- Health maintenance & therapies: Clinical or therapeutic services for caregivers to remain in role or care receiver to remain at home.
- Personal Assistance Services: Supports involving the labor of another person to help recipient (TSOA only).
