Dear Treasurer Sullivan,

The purpose of this letter is to formally notify you that the group of WPTA Investment Policy reviewers have approved your County's Investment Policy for certification.

As a result of this decision to certify your policy, your agency will be formally recognized and presented with a plaque at the April 2020 WMTA conference in Lake Chelan. Congratulations! We hope that you will plan to attend WPTA annual conference in Chelan in April to receive your certification. We present all certification awards at the business-meeting luncheon. This meeting will be held April 9, 2020. Additional details regarding this event are available on our website.
