

ROAD CONSTRUCTION IN YOUR AREA

Sauk Prairie Road Near Everett Creek

To help ease the impact of reoccurring flooding on Sauk Prairie Road near Everett Creek, Snohomish County Public Works will begin construction to raise several hundred feet of roadway and replace an existing culvert in July 2020.

The project location is approximately half a mile east of the Crawford Loop Road intersection (near the area locally known as Greens Pond). By raising the road and installing a new larger concrete box culvert, driving conditions and fish passage will be greatly improved.

Timeframe

Construction is anticipated to begin in early July 2020 and be completed by the end of October.

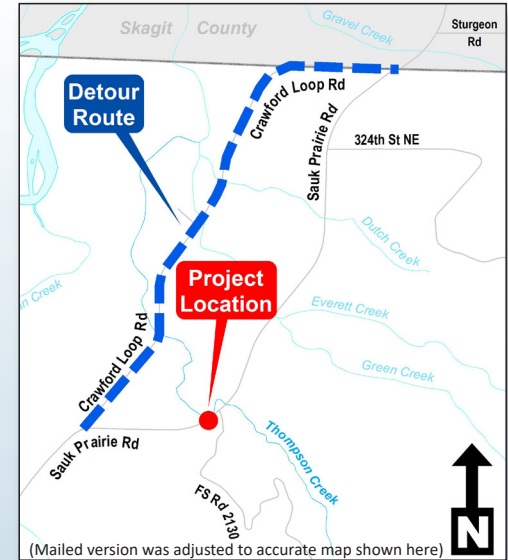

Detour Route

During construction, a full road closure is required. Drivers will be detoured via Crawford Loop Road. A signed detour route will be posted. Schools and emergency response teams have been notified to adjust routes as needed.

More Information

For more information or to sign up for email alerts, visit our web page at www.snohomishcountywa.gov/4074, call 425-388-ROAD (7623) or email Road@snoco.org.

A second project on Sauk Prairie Road near Mouse Creek is scheduled to be constructed in 2021. See details at: www.snohomishcountywa.gov/4072.

Public Works and the construction contractor will be practicing COVID-19 prevention protocols during this project. Please maintain 6-foot social distancing.
